Dear Grade 4 Parents and Guardians,

Last week I shared the exciting news that Mrs. Grisback would be taking over the 4th grade class for the remainder of the school year. As we all adjust to our current educational reality of being on a remote learning plan, your children and families are also dealing with the fact that we are in the process of transitioning from Mrs. Gunderman to Mrs. Grisback as your child's 4th grade teacher. Please know that Mrs. Gunderman and Mrs. Grisback have worked together to create the remote learning plans for your children.

Mrs. Grisback is very understanding of the challenge that this transition creates for your child and family especially while out on remote learning. Mrs. Grisback has requested that everyone send her an email directly so that she has the best contact information for each of you as we continue forward with the remote learning plans. Please email Mrs. Grisback at mgrisback@ltes.org.

I am thankful that we made our announcement last week, and that the children have already had Mrs. Grisback for a few days as their teacher leading up to this transition. We will continue to support every student during this time of challenge and transition. Please reach out to Mrs. Grisback or me with any questions or concerns.

Have a great day!

Thank you,

Jennifer Cenatiempo
