FOREWORD

The Board of Education has authorized the Superintendent to promulgate administrative regulations except where approval by the Board is required by statute or administrative code for the orderly operations of the Lafayette Township School District that are binding on all pupils, employees, and visitors to the district.

These administrative regulations are intended to give direction to staff members in carrying out Board policies, statutory mandates, and contractual obligations. The operations directed by these regulations should be efficient, amenable to assessment, and considerate of the needs and rights of pupils and employees. Any suggestions for additions or improvements that help attain these objectives are welcome.

These regulations apply to the entire school district.

These regulations will be made available to each employee. Employees and pupils who violate these regulations are subject to disciplinary action.

R 9130.1 COMPLAINTS REGARDING INSTRUCTION MATERIALS

Any person or group having a legitimate interest in this school may present a request, suggestion, or complaint concerning district personnel, the education program, instructional or resource materials, or the operations of the district. The Board of Education directs the establishment of procedures for the hearing and settlement of requests and complaints that provide a means for resolving them fairly and impartially, permit appropriate redress, and protect district personnel for unnecessary harassment.

Any misunderstanding or disputes between the public and school district staff should, whenever possible, be settled by direct, informal discussions among the interested parties. It is only when such informal meetings fail to resolve differences that more formal procedures shall be employed. A complaint about a school program or personnel should be addressed to the Principal; a complaint about instructional or resource materials should be addressed to the Superintendent.

The Superintendent shall establish procedures for the hearing of requests and complaints regarding district personnel, the educational program, instructional and resource materials, and the operation of the school district. Procedures will be governed by the following guidelines:

1. The matter will be resolved initially, wherever possible, by informal discussions between or among the interested parties.
2. A matter that cannot be resolved informally can be appealed at successive levels of authority, up to and including the Board.
3. The complaint and its immediate resolution will be reduced to writing at the first and at each successive level of appeal.
4. A reasonable period of time, not to exceed ten working days, will be permitted for the filing of an appeal in writing at each successive level. A decision at each level of appeal must be rendered in writing no later than ten working days after the appeal is filed.
5. In the case of complaints about instructional or resource materials, the initial complaint must set forth in writing the author, title, and publisher of the materials as well as those specific portions of the material or the work to which objection is taken; the complaint's familiarity with the work; the reasons for the objection; and the use of the work in the schools. The Superintendent shall appoint a committee

Any Board action to remove material will be accompanied by the Board's statement of its reasons for the removal.

6. A complainant shall be notified that a decision of the Board may be appealed to the Commissioner of Education.

R 9230 PARENTAL RESPONSIBILITIES

It is the position of the Board of Education that parent(s) or legal guardian(s) bear the ultimate responsibility for their children's in-school behavior.

The Board directs that cooperation be encouraged by parent-teacher conferences that permit two-way communication between home and school; open houses in the school that provide parent(s) or legal guardian(s) with the opportunity to see the school facilities, meet the faculty; meetings of staff members and groups of the parents or legal guardians of those pupils having special abilities, needs, or problems; and special events of a cultural, ethnic, or topical nature, which are initiated by parent groups, involve the cooperative effort of pupils and parent(s) or legal guardian(s), and are of general interest to the schools or community.

The Board believes that children benefit when parent(s) or legal guardian(s) recognize and discharge a responsibility to encourage and support the learning process.

Parent(s) or legal guardian(s) can help children learn by:

1. Requiring that children obey all school rules and by accepting responsibility for a child's improper conduct;
2. Sending children to school with proper attention to health, personal cleanliness, and dress;
3. Maintaining an active interest in each child's daily work and making it possible for a child to complete assigned homework by providing a quiet place and suitable conditions for study;
4. Reading communications from the school and signing and returning them promptly when so requested;
5. Attending conferences arranged for the exchange of information on the child's progress in school; and
6. Scheduling family matters to minimize interference with school time.

The Board will presume that each natural or adoptive parent(s) or legal guardian(s) of a pupil enrolled in this district possesses full parental rights of access to the pupil and to information about the pupil, notwithstanding any separation of the parent(s) or legal guardian(s) or dissolution of their marriage. Accordingly, and in the absence of notice to the contrary, the Board directs that school administrators accommodate the needs of both parent(s) or legal guardian(s) for access to their child, to their child's teachers, and to information about their child.

REGULATION

LAFAYETTE TOWNSHIP SCHOOL

COMMUNITY
R 9230/page 2 of 2
Parental Responsibilities

The Board's presumption of the equal rights and responsibilities of parent(s) or legal guardian(s) may be set aside only upon the presentation to the Superintendent of proper notice that custody of a pupil resides in only one parent and that the custodial rights of the other parent have been limited. When such notice is duly presented, the Superintendent will be directed by the terms of that notice to limit the access of the non-custodial parent to the child or to information about the child. Proper notice consists of the custodial parent's sworn affidavit or certification supported by a copy of the pertinent portion of a legal agreement or court order that awards custody and establishes the rights and limitation of the non-custodial parent or terminates the parental rights of the non-custodial parent.

Nothing in this policy shall be construed as limiting in any way the rights of the non-custodial parent whose parental rights have not been terminated to full access to his or her child's records.

R 9270 HOME SCHOOLING AND EQUIVALENT EDUCATION

Home schooling is an educational program provided at home, usually by the parent(s) or legal guardian(s) of the child. Children are taught using their own curriculum or published home school curriculum. The Board of Education recognizes that home schooling is an option for parent(s) or legal guardian(s) under the compulsory education law.

A. Legal Requirement for Compulsory Attendance

1. N.J.S.A. 18A:38-25 requires all children six to 16 years to attend the public schools or a day school in which there is given instruction equivalent to that provided in the public school for children of similar grades and attainments or to receive equivalent instruction elsewhere other than school.
2. The parent(s) or legal guardian(s) of a child that is home schooled is responsible to ensure their child receives instruction equivalent to that provided in the public school for children of similar grades and attainments or to receive equivalent instruction elsewhere other than school.
3. The Superintendent may report to the appropriate municipal authorities those children whom he/she has reason to believe are not offered instruction outside the school equivalent to that offered in the public schools for children of similar ages or attainments.
4. If the Superintendent makes a report, the parent(s) or legal guardian(s) of a student receiving instruction elsewhere other than school may notify the Superintendent of their child's educational program status and provide sufficient information to satisfy the district that equivalent instruction is being offered.
5. Parent(s) or legal guardian(s) of a home schooled student are not required to seek approval from the district or to submit materials to the Superintendent in order to permit it to make a determination as to the equivalency of the instruction.

B. Truancy/Violations of Compelling Attendance

1. When a Superintendent and Board believe a person is not complying with the compulsory education law (N.J.S.A. 18A:38-25 et seq.) they must initiate truancy proceedings in municipal court where a parent may be found guilty of a disorderly persons offense and fined in accordance with N.J.S.A. 18A:38-27 and N.J.S.A. 18A:38-31.

2. If the parent(s) or legal guardian(s) are challenged in court by the Superintendent or Board, the district must demonstrate, beyond a reasonable doubt, that the parents are not providing a curriculum that is academically equivalent to that provided in the public school for a child of similar grade and attainment.
- C. District Requirements for Home Schooled Students
1. Unless requested by the parents, and agreed to by the school district, the school district is not required or permitted to:
 - a. Test a child educated at home;
 - b. Review the quality of instruction received at home; or
 - c. To monitor the results of home instruction.
 2. When children are educated at home and are not enrolled in a school, the school district will not provide entitlements or privileges of students enrolled in the school district unless specifically provided in the federal special education laws. However, the Lafayette Township School will allow Home Schooled children to participate in certain activities so long as there is no additional costs incurred because of such participation.
- D. Students With Disabilities
1. The Superintendent will consider requests for evaluation of all potentially disabled home schooled children and make determinations whether or not to conduct evaluations.
 - a. If the school district's Child Study Team (CST) determines that an evaluation is required, the procedures as outlined in N.J.A.C. 6A:14 are followed.
 - b. If the child is eligible for special education, the CST will determine a classification category and develop an Individualized Education Program (IEP) in accordance with N.J.A.C. 6A:14.

- c. Home schooled children with disabilities may be provided a special education program including related services.
- d. If a home schooled child with disabilities re-enrolls in the public school, the school district must implement the special education program described in the IEP. The school district will also review the IEP annually and be ready to conduct re-evaluation every three years.
- e. The school district will notify the parent(s) or legal guardian(s) of a classified child who is being educated at home to offer services as required by law. The documentation of this notice will be maintained in the child's record file.

R 9324 SEX OFFENDER REGISTRATION AND NOTIFICATION

A. Definitions

1. Tier One Offender - An offender that is a “low risk of re-offense”, thus constituting a low risk of harm to the community. This offender is one who, because of the type of crime, the lack of violence in his/her behavior, the lack of a substantial criminal history and the existence of ties to the community presents no more than a possible risk of re-offense.
2. Tier Two Offender - An offender who is a “moderate risk of re-offense”, thus constituting a moderate risk of harm to the community in that the pertinent documents demonstrate that they are reasonably likely to re-offend, warranting limited notice for the protection of the public.
3. Tier Three Offender - An offender who is a “high risk of re-offense” in that the available record demonstrates that there is a probable risk of re-offense, warranting notice to the community likely to encounter the offender.
4. Likely To Encounter - Law enforcement agencies, community organizations or members of the community who are in a location or in close geographic proximity to a location which the offender visits or can be presumed to visit on a regular basis.
5. Fair Chance to Encounter - The types of interaction which ordinarily occur at that location and other attendant circumstances demonstrate that contact with the offender is reasonably certain.

B. Notification To School District From the Law Enforcement Agency/County Prosecutor’s Office

1. The Superintendent and the Building Principal will be notified by the Prosecutor’s Office, without the need to register to be notified, for all sex offenders classified as Tier Two or Tier Three Offenders. Local law enforcement agencies and/or the County Prosecutor’s Office will determine there is a “fair chance to encounter” the offender in determining community notification. In any event the Superintendent and the Building Principal(s) will be notified for all Tier Two and Tier Three Offenders.
