4111 CREATING POSITIONS

The Board of Education recognizes its authority to establish support staff positions that, when filled by qualified employees, will assist the district in the achievement of educational goals set by the Board.

The Board will create new positions as required, approve a job title appropriate to the position, and determine the number of persons required to staff adequately each such position.

The Superintendent shall recommend to the Board such new positions or additional staffing in existing positions as may be required by pupil enrollments and the operational needs of the district.

N.J.S.A. 18A:16-1; 18A:17-24; 18A:28-1

Adopted: 7 September 2010

4124 EMPLOYMENT CONTRACT

The Board of Education requires that every nontenured employee annually sign an employment contract for a term of not more than one year.

The employment contract shall include the date; name of the employee; the beginning and ending dates of service; the salary to be paid and the manner of payment; an authorization for salary deductions as applicable; and such other terms and conditions as may be necessary to a complete statement of the employment relationship.

The contract will include provision for a probationary period in accordance with Policy No. 4123 and the termination of the contract by either party following the completion of the probationary period on thirty days notice unless there is a different number of days in an employee's contract or collective bargaining agreement.

In the event that the salary entered on the written contract differs from that formally approved by the Board, the salary approved by the Board shall be the salary paid.

Adopted: 7 September 2010

4125 EMPLOYMENT OF SUPPORT STAFF MEMBERS

The Board of Education believes it is vital to the successful operation of the school district that support staff member positions be filled with highly qualified and competent professionals.

In accordance with the provisions of N.J.S.A. 18A:27-4.1, the Board shall appoint, transfer, remove, or renew a certificated or non-certificated officer or employee only upon the recommendation of the Superintendent of Schools and by a recorded roll call majority vote of the full membership of the Board. The Board shall not withhold its approval for arbitrary and capricious reasons. The Board shall approve the employment, fix the compensation, and establish the term of employment for every support staff member employed by this district.

The Board will employ substitutes for absent support staff members in order to ensure continuity in a program and will annually approve a list of substitutes and rate of pay. The Superintendent or designee shall select substitutes from the list approved by the Board to serve in the place of an absent support staff member.

The Board may use a private contractor to secure a substitute support staff member.

The Board of Education shall not employ for pay or contract for the paid services of any support staff member or any other person serving in a position which involves regular contact with students unless the Board has first determined consistent with the requirements and standards of N.J.S.A. 18A:6-7.1 et seq. that no criminal history record information exists on file in the Federal Bureau of Investigation, Identification Division, or the State Bureau of Identification which would disqualify the individual from being employed or utilized in such capacity or position.

An individual employed by the Board or a school bus contractor holding a contract with the Board, in the capacity of a school bus driver, shall be required to meet the criminal history record requirements as outlined in N.J.S.A. 18A:39-19.1.

The Board will employ paraprofessional school aides and/or classroom aides to assist in the supervision of student activities under the direction of a Principal, teacher, or other designated certified professional personnel. Aides will serve the needs of students by performing nonprofessional duties and may work only under the direct supervision of a teaching staff member(s).

In accordance with the requirements of No Child Left Behind Act of 2001, paraprofessionals hired after January 8, 2002, who work in a program supported with Title I, Part A funds, with certain exceptions, must meet one of the following criteria:

1. Completed at least two years of study at an institution of higher education;
2. Obtained an associate's (or higher) degree; or
3. Met a rigorous standard of quality and be able to demonstrate, through a formal State or local academic assessment, knowledge of and the ability to assist in instructing, reading, writing, and mathematics (or, as appropriate, reading readiness, writing readiness, and mathematics readiness).

Paraprofessional staff working in a Title I school, and whose salary is paid for in whole or in part with Title I funds, must have met one of the criteria listed above by the end of the 2005-2006 school year. The Superintendent will ensure paraprofessionals working in a program supported with Title I funds meet the above stated requirements.

An individual employed by the Board in any substitute capacity or position shall be required to undergo a criminal history record check in accordance with the provisions of N.J.S.A. 18A:6-7.1b.

An individual, except as provided in N.J.S.A. 18A:6-7.1g, shall be permanently disqualified from employment or service in the school district if the criminal history record check reveals a record of conviction for any crime or offense as defined in N.J.S.A. 18A:6-7.1 et seq.

The Board or contracted service provider may employ an applicant on an emergent basis for a period not to exceed three months, pending completion of a criminal history record check if the Board or contracted service provider demonstrates to the Commissioner of Education that special circumstances exist which justify the emergent employment as prescribed in N.J.S.A. 18A:6-7.1c. In the event the criminal history record check is not completed for an emergent hired employee within three months, the Board or contracted service provider may petition the Commissioner for an extension of time, not to exceed two months, in order to retain the employee.

No criminal history record check shall be performed unless the applicant shall have furnished written consent to such a check. The applicant shall bear the cost for the criminal history record check, including all costs for administering and processing the

check. The district will deny employment to an applicant if the applicant is required and refuses to submit to a criminal history record check.

The Board of Education prohibits any relative of a Board member or the Superintendent of Schools from being employed in an office or position in the school district in accordance with the provisions of N.J.A.C. 6A:23A-6.2 and Board Policy 0142.1 – Nepotism.

A support staff member's misstatement of fact material to his/her qualifications for employment or the determination of his/her salary will be considered by the Board to constitute grounds for dismissal.

4140 TERMINATION

The Board of Education will enter a contract with each non-tenured support staff member providing, in part, for the termination of employment by either party. The Board may terminate the employment of an employee for incompetence, immorality, unfitness for service, insubordination, reduction in force, or other good cause. Any notification of termination for cause will include a full statement of the reasons for the dismissal on notice duly given a nonprobationary employee.

The Board may terminate an employment contract with a non-tenured support staff member only upon the recommendation of the Superintendent and by a recorded roll call majority vote of the full membership of the Board. The Board will not withhold its approval for arbitrary and capricious reasons. N.J.S.A. 18A:27-4.1.

An employee who offers insufficient notice of termination will be paid only through the last day of his/her service.

The Board may temporarily suspend an employee with or without pay and without notice when his/her continued services may be inimical to the interests of pupils.

Adopted: 7 September 2010

4145 LAYOFFS

The Board of Education shall provide the support staff necessary for the operation of the district in a manner that is efficient and economical.

The Board reserves the right to abolish support staff positions and reduce district staff commensurately whenever reasons of economy, reorganization of the school district, reduction in the number of pupils, or other good cause so warrant. The Superintendent shall continually review the efficiency and effectiveness of district organization and recommend to the Board the creation and abolishment of support staff positions and the reallocation of duties and positions.

When two or more employees are employed in the same classification of employment in which a position is abolished, the employee shall be reemployed who has demonstrated greater competence.

When, as the result of the abolishment of a position, an employee is demoted in position, the employee shall receive the salary of the position to which he/she has been assigned.

When the nontenured support staff member's performance does not meet the standards of the school district, the Superintendent shall recommend not to renew the nontenured support staff member's contract. Withholding an Increment

4152 WITHHOLDING AN INCREMENT

The Board of Education recognizes that any advancement on a salary schedule, including annual increments and raises, is not automatic but rests within the discretion of the Board.

Advancement on any salary schedule shall require favorable reports covering the employee's competence and thoroughness in the performance of assigned duties as well as the employee's record of attendance and compliance with district regulations.

The Superintendent shall base a recommendation for withholding an increment on evaluations of the employee's performance and conduct. The Superintendent must also show to the satisfaction of the Board that the standards by which an employee has been evaluated are not exceptional or unusual and are expected of all employees in a similar classification.

Only the staff member, the Superintendent, and the school medical inspector shall have access to medical information regarding an individual employee. 4161 EXAMINATION FOR CAUSE

The Board of Education may, in accordance with law, require the psychiatric or physical examination of any support staff member who shows evidence of deviation from normal physical or mental health.

The Superintendent shall recommend to the Board the examination of any support staff member whose physical or mental condition so departs from normal health as to adversely affect the performance of the member's duties. Any such recommendation must be accompanied by competent evidence. If the Board determines that deviation from normal health has been demonstrated, it may require that the member submit to a physical or mental examination.

A requirement for physical or mental examination shall be made known to the employee by written notice setting forth the nature of the examination required, the reasons for the requirement, and a statement offering the member the opportunity to appear before the Board to explain or refute those reasons, provided any such hearing is requested in writing within five working days of the receipt of the notice.

A support staff member who fails to request an appearance before the Board within the time permitted or, having appeared before the Board, fails to persuade the Board that he/she should not be required to submit to the required examination shall be ordered to submit to an appropriate examination by a physician or institution designated by the Board and at the Board's expense.

The support staff member may, at his/her option, submit names of physicians or institutions to the Board for consideration to complete the appropriate examination(s). The Board is not required to designate a physician or institution submitted for consideration by the support staff member, but the Board will not act unreasonably in withholding its approval of a physician or institution submitted by a support staff member. The cost of the examination will be borne by the Board if the Board designates a physician or institution from the names submitted from the support staff member.

If the support staff member's request is denied, or if the support staff member does not request the Board to consider a physician or institution, the staff member may elect to submit to an appropriate examination conducted by a physician or institution of the support staff member's own choosing and at his/her expense, provided the physician or institution so chosen is approved by the Board, pursuant to N.J.S.A. 18A:16-3, and is authorized and directed by the member to report the results of the examination to the Board.

No leave of absence granted under this policy shall exceed the term of the contract of a nontenured support staff member or a period of two years in the case of a tenured support staff member.

A support staff member who refuses to submit to the examination required by the Board and has exhausted the hearing procedures established by law and this policy shall be subject to discipline, which may include the certification of tenure charges to the Commissioner of Education.

4211.3 CONSULTING OUTSIDE THE DISTRICT

The Board of Education recognizes that support staff members will have expertise and knowledge in areas that other school districts, agencies, and other entities may desire. Recognizing that the school district will request the expertise from support staff members from other school districts, agencies and other entities, the Board supports sharing of its support staff members with other school districts, agencies, and other entities to the extent it does not interfere with the efficient operation of the school district.

The Superintendent may recommend to the Board a support staff member's attendance in another school district, agency or other entity without additional remuneration to the support staff member or school district, upon a written request from the agency or from the support staff member.

The Board of Education recognizes support staff members will have expertise and knowledge in areas that other school districts, public and private agencies, and private business organizations may desire to compensate as a paid consultant. When a support staff member serves as a paid consultant, the support staff member is not permitted to use normal work hours for any paid consulting activities. The support staff member must complete any paid consulting activities on their own time to include vacation days, evenings, weekends, and/or school holidays.

The support staff member must comply with the New Jersey School Ethics Act N.J.S.A. 18A:12-21 et seq. and, if required, must comply with financial disclosure requirements of N.J.S.A. 18A:12-24 and 12-25.

4212 ATTENDANCE

The regular and prompt attendance of support staff members is an essential element in the efficient operation of the school district and the effective conduct of the educational program. Staff member absenteeism disrupts the educational program and the Board of Education considers attendance an important component of a staff member's job performance.

A support staff member who fails to give prompt notice of an absence, misuses sick leave, fails to verify an absence in accordance with Board policy, falsifies the reason for an absence, is absent without authorization, is repeatedly tardy, or accumulates an excessive number of absences may be subject to appropriate consequences, which may include the withholding of a salary increment, dismissal, and/or certification of tenure charges.

In accordance with N.J.S.A. 18A:30-1, sick leave is defined to mean the absence from work because of a personal disability due to injury or illness or because the support staff member has been excluded from school by the school medical authorities on account of contagious disease or of being quarantined for such a disease in the staff member's immediate household. No support staff member will be discouraged from the prudent, necessary use of sick leave and any other leave provided for in the collective bargaining agreement negotiated with the member's majority representative, in an individual employment contract, or provided in the policies of the Board. In accordance with N.J.S.A. 18A:30-4, the Superintendent or Board of Education may require a physician's certificate to be filed with the Secretary of the Board in order to obtain sick leave.

The Superintendent, in consultation with administrative staff members, will review the rate of absence among the staff members. The review will include the collection and analysis of attendance data, the training of support staff members in their attendance responsibilities, and the counseling of support staff members for whom regular and prompt attendance is a problem.

N.J.S.A. 18A:30-1 et seq.

Re-adopted: April 26, 2016

4214 CONFLICT OF INTEREST

No support staff member of the Board of Education shall have any interest, financial or otherwise, direct or indirect, or engage in any business or transaction or professional activity which is in conflict with the proper discharge of the support staff member's duties.

No support staff member shall use or attempt to use his/her position to secure unwarranted privileges or advantages.

No support staff member of the Board shall act in his/her official capacity in any matter wherein he/she has a direct or indirect personal financial interest.

No support staff member of the Board shall accept any gift, favor, service or other thing of value under circumstances from which it might be reasonably inferred that such gift, service or other thing of value was given or offered for the purpose of influencing the support staff member in the discharge of his/her duties.

The Board of Education discourages the presentation of gifts to support staff members by pupils and their parent(s) or legal guardian(s), because it may embarrass pupils with limited means and give the appearance of currying favor.

The Board directs that support staff members instruct pupils to express their appreciation by means other than gifts.

Support staff members may receive gifts of only nominal value from pupils or their parent(s) or legal guardian(s).

The Superintendent may approve an act or gift of appreciation to an individual support staff member when special circumstances warrant.

M

The Board of Education recognizes a support staff member who reports to work under the influence of a substance poses a significant threat to their health, safety, and welfare and the health, safety, and welfare of others, including students and other staff members. The Board strongly advises any support staff member that has a dependency on a substance as defined in this Policy to seek appropriate treatment. The Board has an obligation and the right to maintain a safe and healthy work environment and adopts this Policy as an important component toward maintaining a safe environment in the school district.

For the purpose of this Policy, “substance” or “substances” as defined in N.J.S.A. 18A:40A-9 and N.J.A.C. 6A:16-4.1(a) means alcoholic beverages; any controlled dangerous substances, including anabolic steroids as defined in N.J.S.A. 24:21-2 and N.J.S.A. 2C:35-2; any chemical or chemical compound which releases vapors or fumes causing a condition of intoxication, inebriation, excitement, stupefaction, or dulling of the brain or nervous system, including, but not limited to, glue containing a solvent having the property of releasing toxic vapors or fumes as defined in N.J.S.A. 2C:35-10.4; and over-the-counter and prescription medications that are improperly used to cause intoxication, inebriation, excitement, stupefaction, or dulling of the brain or nervous system.

A support staff member shall be required to submit to an immediate medical examination to include a substance test if the support staff member’s supervisor has reasonable suspicion to believe a support staff member is under the influence of a substance during work hours or at a school-sponsored function where the support staff member has been assigned job responsibilities. Refusal by a support staff member to consent to the medical examination including a substance test will be deemed a positive result for substances. In the event the results of the medical examination and substance test are not provided to the Superintendent, within twenty-four hours or as soon as the test results are available, it will be deemed a positive result for substances and the support staff member shall be subject to appropriate discipline. Any required medical examination and testing shall be paid for by the Board.

In the event the Board physician determines the support staff member was under the influence of a substance, the determination shall be reported to the Superintendent and the support staff member will be subject to appropriate discipline. Appropriate discipline may include, but not be limited to, withholding an increment, terminating a non-tenured support staff member, and/or filing tenure charges for a tenured support staff member in accordance with law. The support staff member will be afforded the opportunity to have positive test results confirmed using acceptable confirmation test practices. This confirmation test shall be paid for by the support staff member.

In the event a support staff member's medical examination and substance test results are negative for a substance or if the Board physician determines the support staff member was not under the influence of a substance, the results or determination shall be reported to the Superintendent and the support staff member shall be returned to their position unless the Superintendent has a reason the support staff member should not be returned to their position.

In accordance with the requirements of N.J.A.C. 6A:16-6.3(a), any staff member who, in the course of their employment, has reason to believe a staff member has unlawfully possessed or in any way been involved in the distribution of a controlled dangerous substance, including anabolic steroids, or drug paraphernalia, shall report the matter as soon as possible to the Principal, or in the absence of the Principal, to the staff member's supervisor responsible at the time of the alleged violation. Either the Principal or the staff member's supervisor responsible at the time of the alleged violation shall notify the Superintendent who shall notify, as soon as possible, the County Prosecutor or other law enforcement official designated by the County Prosecutor to receive such information. The Superintendent or designee shall provide to the County Prosecutor or designee all known information concerning the matter, including the identity of the staff member involved.

In accordance with the provisions of N.J.A.C. 6A:16-6.3(a)3, the Superintendent or designee shall not disclose the identity of a staff member who has voluntarily sought and participated in an appropriate treatment or counseling program for an alcohol or drug abuse problem, provided the staff member is not reasonably believed to be involved or implicated in drug-distribution activities. questioning initiated by the Principal or Superintendent's designee or following the discovery by the Principal or Superintendent's designee of a controlled dangerous substance, including anabolic steroids, or drug paraphernalia, shall not constitute a voluntary, self-initiated request for counseling and treatment.

A staff member who unlawfully possessed or in any way has been involved in the distribution of a controlled dangerous substance, including anabolic steroids or drug paraphernalia, pursuant to N.J.A.C. 6A:16-6.3, shall be subject to appropriate discipline which may include, but not be limited to, termination of a non-tenured support staff member or the filing of tenure charges for a tenured support staff member in accordance with law.

ALCOHOL USE TESTING (M)

The Board of Education is committed to a safe, efficient, alcohol and drug-free workplace that protects the district's students as well as the health and safety of its employees and the general public.

The Omnibus Transportation Employee Testing Act of 1991 requires all operators of commercial motor vehicles subject to the Commercial Driver's License (CDL) requirements to be tested for controlled substances and alcohol. Federal regulations of the United States Department of Transportation require that any employee using a CDL be required to submit to alcohol and controlled substance testing in accordance with 49 CFR 40 et seq.

In the event the Board contracts with a service provider for transportation, the CSA will ensure all transportation contractors comply with the drug and alcohol testing requirements of Policy 4219 pursuant to 49 CFR 382 et seq. and 49 CFR 40 et seq.

The school district shall maintain and retain all records as required by Federal regulation.

The Omnibus Transportation Employee Testing Act of 1991 requires all operators of commercial motor vehicles subject to the CDL requirements to be tested for controlled substances and alcohol. Federal regulations of the U.S. Department of Transportation require that any employee using a CDL be required to submit to alcohol and controlled substance testing in accordance with 49 CFR 40.

The Board designates the CSA as the Designated Employer Representative (DER) of the Board of Education. The Board may contract with a service agent to provide the testing services as required by Federal law. In the event the Board contracts with a service provider for transportation, the Board designee will ensure all transportation contractors comply with the drug and alcohol testing requirements of Policy 4219 pursuant to 49 CFR 382 et seq. and 49 CFR 40 et seq.

No employee at any work site will possess, manufacture, use, sell, or distribute any quantity of any controlled substance, lawful or unlawful, which in sufficient quantity could result in impaired performance, with the exception of substances administered by or under the instructions of a physician. No employee shall perform safety-sensitive functions within four hours after using alcohol and the district will not permit an employee that used alcohol within four hours of performing safety-sensitive functions to perform such functions if the district has actual knowledge of the use, in accordance with 49 CFR 392.5.

Violations

Any violation of this Policy may result in discipline, up to and including termination.

Prohibited Substances

The presence of any of the controlled substances, listed in 49 CFR 40.87, in the body, as evidenced by the results of the initial screening and subsequent confirmatory analysis provided in this Policy, is prohibited for any employee assigned to a classification covered by this Policy. All cutoff concentrations shall be in accordance with 49 CFR 40.87. All test results shall be measured against the cutoff concentrations outlined in 49 CFR 40.87.

Testing Procedures

All testing for controlled substances will be conducted in accordance with 49 CFR 40, Subparts A, B, C, D, E, F, G, H and I. The district will only test for drugs or classes of drugs in accordance with 49 CFR 40.85. Testing for alcohol will be conducted in accordance with 49 CFR 40, Subparts J, K, L, M and N.

Categories of Testing

For the purpose of this Policy, the occurrence of the following circumstances/instances shall require an employee to submit to a controlled substance and alcohol screening:

1. Pre-Employment Testing

An individual who has applied for and has been selected to operate a Board vehicle shall, before beginning employment with the Board, submit to a controlled substance screening in conjunction with any required physical examination as per Policy 4160. Such screening shall be conducted in accordance with the procedures set forth in this Policy and 49 CFR 40. No individual receiving a positive confirmed test result will be employed by the Board.

An employer is not required to administer a controlled substances test required by 49 CFR 382.301(a) if:

SUPPORT STAFF MEMBERS

4219/page 5 of 21

M

- a. The employee has participated in a controlled substances testing program that met the requirements of 49 CFR 382 et seq. within the previous thirty days; and
- b. The employee while participating in that program either:
 - (1) Was tested for controlled substances within the past six months (from the date of application with the employer); or
 - (2) Participated in the random controlled substances testing program for the previous twelve months (from the date of application with the employer.)
- c. The DER must ensure that no prior employer, to the DER's knowledge, has records of a violation of a controlled substances testing program within the previous six months.

If an individual is so exempted, the DER shall contact the controlled substances testing programs in which the individual participated and shall obtain and retain from the testing program(s) the following information in accordance with 49 CFR 382.301(c):

- a. Name and address of the program;
- b. Verification of the individual's participation;
- c. Verification that the program conforms to Federal guidelines;
- d. Verification the individual qualified under the law and did not refuse to be tested for controlled substances;
- e. The date the individual was last tested for controlled substances; and

- f. The results of any tests taken within the previous six months and any other violations.

An employee who has applied for and has been selected to operate a Board vehicle or any existing employee transferring into a new position requiring the employee to operate a Board vehicle, shall submit a written consent authorizing the Board to obtain the following information from other employers who have employed the employee during any period during the two years before the date of the employee's application or transfer into the new position. The written consent from the employee will permit the DER to obtain the following information from previous Division of Transportation (DOT)-regulated employers:

- a. Alcohol tests with a result of 0.04 or higher alcohol concentration;
- b. Verified positive drug tests;
- c. Refusals to be tested (including verified adulterated or substituted drug test results);
- d. Other violations of DOT agency drug and alcohol testing regulations; and
- e. With respect to any employee who violated a DOT drug and alcohol regulation, documentation of the employee's successful completion of DOT return-to-duty requirements (including follow-up tests). If this information is not available from the previous employer, the DER must seek to obtain this information from the employee.

The DER will obtain and review this information before the employee first performs safety-sensitive functions. If this is not feasible, the DER will not permit the employee to perform safety-sensitive functions after thirty days from the date the employee first performed safety-sensitive functions,

unless the DER has obtained or made and documented a good faith effort to obtain this information.

2. Random Testing

Every employee shall submit to random alcohol and controlled substance testing on an unannounced and random basis resulting from the selection by a random generation methodology in accordance with 49 CFR 383.305(i). Random testing will be spread reasonably throughout any given calendar year.

The minimum annual percentage rate for random alcohol testing shall be ten percent of the average number of driver positions. The minimum annual percentage rate for random controlled substances testing shall be twenty-five percent of the average number of driver positions. The minimum annual percentage rates may be adjusted as determined by the FMCSA Administrator in accordance with 49 CFR 382.305.

Employees shall only be random tested when performing safety-sensitive functions or immediately prior to or immediately following the performance of safety-sensitive functions.

3. Post-Accident Testing

The involvement by an employee in a motor vehicle collision while operating a Board vehicle when such accident results in property damage or personal injury, may trigger a post-accident drug and alcohol test.

As soon as practical following an occurrence, the DER will require post-accident alcohol screening for each of the surviving drivers:

- a. Who was performing safety-sensitive functions with respect to a vehicle, if the accident involves the loss of human life; or

- b. Who receives a citation within eight hours of the occurrence under State or local law for a moving traffic violation arising from the accident, if the accident involved:
 - (1) Bodily injury to any person who, as a result of the injury, immediately receives medical treatment away from the scene of the accident; or
 - (2) One or more motor vehicles incurring disabling damage as a result of the accident, requiring the motor vehicle to be transported away from the scene by a tow truck or other motor vehicle.
- c. If the alcohol test is not administered within two hours following the accident, the DER will prepare and maintain on file a record stating the reasons the test was not promptly administered. If the alcohol test is not administered within eight hours following the accident, the DER shall cease attempts to administer the alcohol test and shall prepare and maintain the same record. Records shall be submitted to the FMCSA upon request.

As soon as possible following an occurrence, the district will require post-accident controlled substance screening for each of the surviving drivers:

- a. Who was performing safety-sensitive functions with respect to a vehicle, if the accident involves the loss of human life; or
- b. Who receives a citation within thirty-two hours of the occurrence under State or local law for a moving traffic violation arising from the accident, if the accident involved:
 - (1) Bodily injury to any person who, as a result of the injury, immediately receives medical treatment away from the scene of the accident; or

- (2) One or more motor vehicles incurring disabling damage as a result of the accident, requiring the motor vehicle to be transported away from the scene by a tow truck or other motor vehicle.
 - c. If the controlled substance test is not administered within thirty-two hours following the accident, the DER shall cease attempts to administer the controlled substance test and shall prepare and maintain on file a record stating the reasons the test was not promptly administered. Records shall be submitted to the FMCSA upon request.

An employee who is subject to post-accident testing shall remain readily available for such testing or may be deemed by the employer to have refused to submit for testing. (An employee who is injured in an accident and requires medical care, shall submit to post-accident drug and controlled substance testing by the medical care facility providing the treatment or a designee of the Board if the facility is unable to provide the testing.) Nothing herein shall be construed to prevent the employee from leaving the scene of the accident for the period required to obtain necessary assistance or to obtain emergency medical care.

4. Reasonable Suspicion Testing

The DER shall require an employee to submit to an alcohol and/or controlled substance test when the employee is observed by a supervisor or school official who is trained in accordance with 49 CFR 382.603 and causes the observer to have reasonable suspicion to believe the employee has violated 49 CFR 382 et seq. Reasonable suspicion must exist to require the employee to undergo a test and must be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech or body odors of the employee. The observations may include indications of the chronic and withdrawal effects of controlled substances.

Reasonable suspicion alcohol testing is authorized only if the required observations are made during, just preceding, or just after the period of the work day the employee is required to be in compliance with the testing requirements of 49 CFR 382 et seq.

Reasonable suspicion testing may be required of an employee while the employee is performing, just before the employee will perform, or just after the employee has ceased performing safety-sensitive functions.

If the alcohol test is not administered within two hours following the determination a reasonable suspicion test is required, the DER will prepare and maintain on file a record stating the reasons the test was not promptly administered. If the alcohol test is not administered within eight hours following the determination, the DER shall cease attempts to administer the alcohol test and shall state in the record the reasons for not administering the test.

No employee shall report for duty or remain on duty requiring the performance of safety-sensitive functions while the employee is under the influence of or impaired by alcohol, as shown by the behavioral, speech, and performance indicators of alcohol misuse. The employee will also not be able to perform or continue to perform safety-sensitive functions until an alcohol test is administered and the employee's concentration measures less than 0.02 or twenty-four hours have elapsed following the determination that reasonable suspicion existed to require an alcohol test.

A written record of the observations leading to a reasonable suspicion test shall be made and signed by the supervisor and/or school official that made the observations. This record shall be made within twenty-four hours of the observed behavior or before the results of the test are released, whichever is earlier.

5. Return to Duty Testing

M

The district is not required to return an employee to a safety-sensitive position upon receipt of a confirmed drug and/or alcohol test.

The DER may recommend to the Superintendent of Schools the employee's employment be terminated depending on the circumstances.

The DER shall ensure that before an employee returns to duty requiring the performance of a safety-sensitive function, the employee shall undergo a return to duty alcohol test indicating a breath alcohol concentration of less than 0.02 and a controlled substances test with a result indicating a verified negative result for controlled substances use as required in 49 CFR 40.305.

Employees permitted to return to duty are required to take return-to-duty tests and shall be evaluated by a SAP. These employees must participate in an assistance program prescribed by the SAP and as required in 49 CFR 40 Subpart O.

The SAP will determine a written follow-up testing plan for any employee who has been permitted to return to work and has successfully complied with the SAP's recommendations for education and/or treatment. Such employees are subject to a minimum of six unannounced, follow-up drug screenings and alcohol tests over the following twelve months. The testing shall not exceed forty-eight additional months. Alcohol follow-up testing shall be performed only when the employee is performing safety-sensitive functions or immediately prior to performing or immediately after performing safety-sensitive functions. All follow-up testing will be completed in accordance with 49 CFR 40.307. The SAP will comply with all reporting requirements of 49 CFR 40.311.

The Board shall make the ultimate determination to return or not return an employee to a safety-sensitive position subject to any collective bargaining agreements, if any, or other legal requirements.

Medical Review Officer (MRO) Notifications

The Board shall employ or contract with a MRO who is a licensed physician (M.D. or D.O.) and shall designate the MRO as the individual responsible for receiving laboratory results generated by the testing program. The MRO shall have knowledge of controlled substances abuse disorders and have appropriate medical training to interpret and evaluate the employee's confirmed drug test results together with his/her medical history and other biomedical data. The MRO will perform all functions and responsibilities as required in 49 CFR 40.121.

Employer Notification

The MRO may report controlled substances test results to the DER by any means of communication; however, a signed, written notification must be forwarded within three business days of the completion of the MRO's evaluation. The MRO must report all drug test results to the employer. The MRO may use a signed or stamped and dated legible photocopy of Copy 2 of the CCF to report test results or a written report that must include, at a minimum, the information required in 49 CFR 40.163.

Split Specimen Tests

Split specimen testing will be conducted in accordance with 49 CFR 40 Subpart H. The MRO will notify the Superintendent of Schools or designee if split specimen testing is requested by the employee.

Designated Collection Facility

The Board shall designate the facility to be used for the collection of the specimen; provided, however, that the designated facility shall possess all required licenses and permits. The collection site will take place in a facility meeting the requirements of 49 CFR 40 Subpart D. The DER will ensure the collection site meets the security requirements of 49 CFR 40.43.

Designated Screening Laboratory

The Board shall designate the laboratory to which collected fluid samples will be forwarded for drug/alcohol screening. Drug testing laboratories must be certified by the Department of Health and Human Services (HHS) under the National Laboratory Certification Program (NLCP) for all testing required under 49 CFR 40. The laboratory will perform all responsibilities as required in accordance with 49 CFR 40 Subpart F.

Specimens

The normal screening methodology for controlled substances shall be urinalysis, collected by a trained representative of the Board with appropriate documentation at a site designated and approved by the Board. The presence of alcohol will be determined by an Alcohol Screening Device (ASD) or an Evidential Breath Testing Device administered by an individual certified in accordance with 49 CFR 40.211 and 49 CFR 40.213.

Refusal to Submit

An employee will be deemed as refusing to take a drug test as described in 49 CFR 40.191. As per 49 CFR 40.191, an employee refuses to take a drug test if he/she:

1. Fails to appear for any test (except a pre-employment test) within a reasonable time, as determined by the DER, consistent with applicable DOT agency regulations, after being directed to do so by the DER;
2. Fails to remain at the testing site until the testing process is complete. An employee who leaves the testing site before the testing process commences for a pre-employment test is not deemed to have refused to test;
3. Fails to provide a urine specimen for any drug test required by this Policy. An employee who does not provide a urine specimen because he or she has left the testing site before the testing process commences for a pre-employment test is not deemed to have refused to test;

SUPPORT STAFF MEMBERS

4. Fails to permit the observation or monitoring of providing a specimen in the case of a directly observed or monitored collection in a drug test;
5. Fails to provide a sufficient amount of urine when directed, and it has been determined, through a required medical evaluation, that there was no adequate medical explanation for the failure;
6. Fails or declines to take an additional drug test the DER or collector has directed the employee to take;
7. Fails to undergo a medical examination or evaluation, as directed by the MRO as part of the verification process, or as directed by the DER under 49 CFR 40.193(d). In the case of a pre-employment drug test, the employee is deemed to have refused to test on this basis only if the pre-employment test is conducted following a contingent offer of employment;
8. Fails to cooperate with any part of the testing process (e.g., refuses to empty pockets when so directed by the collector, behaves in a confrontational way that disrupts the collection process, fails to wash hands after being directed to do so by the collector);
9. Fails to follow the collection observer(s) instructions of which could be used to interfere with the collection process;
10. Possesses or wears a prosthetic or other device that could be used to interfere with the collection process; or
11. Admits to the collector or MRO he/she has adulterated or substituted the specimen.

If the MRO reports the employee had a verified adulterated or substituted test result, the result will be deemed refusal to take a drug test.

If an employee refuses to participate in a part of the testing process, the collector or MRO, must terminate the portion of the testing process, document the refusal on the CCF (including in the case of the collector, printing the employee's name on Copy 2 of the CCF), immediately notify the DER by any means (e.g., telephone or secure fax machine) that ensures that the refusal notification is immediately received. A referral physician (e.g., physician evaluating a "shy bladder" condition or a claim of a legitimate medical explanation in a validity testing situation) must notify the MRO, who in turn will notify the DER. In addition, the collector must note the refusal in the "Remarks" line (Step 2), and sign and date the CCF. The MRO must note the refusal by checking the "Refused to Test" box (Step 6) on Copy 2 of the CCF, and add the reason on the "Remarks" line. The MRO must then sign and date the CCF. When the employee refuses to take a non-DOT test or to sign a non-DOT form, the employee has not refused to take a DOT test. There are no consequences under DOT agency regulations for refusing to take a non-DOT test.

Record of Negative Screening

An employee required to submit to an alcohol and/or controlled substance screening as provided in this Policy and whose screening results are negative may, at their option, have their personnel file documented to reflect the negative result.

Prescription Drugs

All bus drivers shall notify the DER of the use of any prescription drugs. The Board may require certification from the prescribing physician that the use of the prescription drug will not have an adverse effect on the driver's ability to properly perform safety-sensitive functions.

Consequences to Employees Engaging in Prohibited Conduct

An employee whose screening produces a positive result for a prohibited substance who is permitted to return to work:

1. Shall not be permitted to perform safety-sensitive functions;

2. Shall be advised by the DER of resources available to them in evaluating and resolving problems associated with the misuse of alcohol or the use of controlled substances;
3. Shall be evaluated by a SAP who shall determine what assistance, if any, is needed to resolve problems with alcohol or controlled substance use;
4. Undergo, before returning to duty, a return to duty alcohol test indicating a breath level of less than 0.02 if the conduct involved alcohol or a controlled substance test with a verified negative result;
5. If assistance was required, the employee must be evaluated by a SAP to determine that the employee has followed the rehabilitation program prescribed;
6. Be subject to unannounced follow-up alcohol and/or controlled substance abuse testing; and
7. Be subject to the disciplinary Policy and Regulations of the Board.

Return-to-Work Agreement

An employee who has been permitted to return to work and who fails to comply with any of the terms of a Return to Work Agreement, if provided at the employer's discretion, shall be subject to disciplinary action which may include termination.

4282 USE OF SOCIAL NETWORKING SITES

The Board of Education has a strong commitment to quality education and the well-being of all students, as well as the preservation of the school district's reputation. The Board believes staff members must establish and maintain public trust and confidence and be committed to protecting all students attending the school district. In support of the Board's strong commitment to the public's trust and confidence, the Board holds all staff members to the highest level of professional responsibility.

The Commissioner of Education has determined inappropriate conduct outside a staff member's professional responsibilities may determine them as unfit to discharge the duties and functions of their position. Staff members should be advised communications, publications, photographs, and other information appearing on social networking sites deemed inappropriate by the Board could be cause for dismissal of a non-tenured staff member or to certify tenure charges against a tenured staff member to the Commissioner of Education.

Staff members are advised to be concerned and aware such conduct deemed inappropriate may include, but is not limited to, communications and/or publications using e-mails, text-messaging, social networking sites, or any other form of electronic communication that is directed and/or available to students or for public display or publication.

While the Board respects the right of staff members to use social networking sites, staff members should recognize they are held to a higher standard than the general public with regard to standards of conduct and ethics. It is important that a staff member's use of these sites does not damage the reputation of the school district, employees, students, or their families. Staff members who utilize, post or publish images, photographs, or comments on social networking sites, blogs, or other forms of electronic communication outside their professional responsibilities shall ensure their use, postings, or publications are done with an appropriate level of professionalism and are appropriate conduct for a school staff member. Staff members should exercise care in setting appropriate boundaries between their personal and public online behavior, understanding that what is private in the digital world often has the possibility of becoming public even without their knowledge or consent.

The school district strongly encourages all staff members to carefully review the privacy settings on social networking sites they use and exercise care and good judgment when posting content and information on such sites. Staff members should adhere to the following guidelines, which are consistent with the district's workplace standards on

harassment, student relationships, conduct, professional communication, and confidentiality.

When using personal social networking sites, school staff members:

1. Should not make statements that would violate any of the district's policies, including its policies concerning discrimination or harassment;

4. Shall not use social networking sites to post any materials of a sexually graphic nature;
5. Shall not use social networking sites to post any materials which promote violence;
6. Shall not use social networking sites which would be detrimental to the mission and function of the district;
7. Are prohibited from using their school district title as well as adding references to the district in any correspondence including, but not limited to, e-mails, postings, blogs, and social networking sites unless the communication is of an official nature and is serving the mission of the district. This prohibition also includes signature lines and personal e-mail accounts;
8. Shall not post updates to their status on any social networking sites during normal working hours including posting of statements or comments on the social networking sites of others during school time unless it involves a school project. Employees must seek approval from the Superintendent of Schools for such use; and

The Policy of this district is to maintain a level of professionalism both during and after the school day. Any publication through any means of electronic communication which is potentially adverse to the operation, morale, or efficiency of the district, will be deemed a violation of this Policy. If the Board or Superintendent believes that a staff member's activity on any social networking site violates the district's policies, the Board or Superintendent may request that the employee cease such activity. Depending on the severity of the incident, the staff member may be subject to disciplinary action.

4321 ACCEPTABLE USE OF COMPUTER NETWORK(S)/COMPUTERS AND
RESOURCES BY SUPPORT STAFF MEMBERS

The Board recognizes that as telecommunications and other new technologies shift the manner in which information is accessed, communicated and transferred that those changes will alter the nature of teaching and learning. Access to telecommunications will allow support staff members to explore databases, libraries, Internet sites, bulletin boards and the like while exchanging information with individuals throughout the world. The Board supports access by support staff members to information sources but reserves the right to limit in-school use to materials appropriate to educational purposes. The Board directs the Superintendent to effect training of support staff members in skills appropriate to analyzing and evaluating such resources as to appropriateness for educational purposes.

The Board also recognizes that telecommunications will allow support staff members access to information sources that have not been pre-screened using Board approved standards. The Board therefore adopts the following standards of conduct for the use of computer network(s) and declares unethical, unacceptable, inappropriate or illegal behavior as just cause for taking disciplinary action, limiting or revoking network access privileges, instituting legal action or taking any other appropriate action as deemed necessary.

The Board provides access to computer network(s)/computers for administrative and educational purposes only. The Board retains the right to restrict or terminate support staff members' access to the computer network(s)/computers at any time, for any reason. Any individual engaging in the following actions declared unethical, unacceptable or illegal when using computer network(s)/computers shall be subject to discipline or legal action:

- A. Using the computer network(s)/computers for illegal, inappropriate or obscene purposes, or in support of such activities. Illegal activities are defined as activities which violate federal, state, local laws and regulations. Inappropriate activities are defined as those that violate the intended use of the network(s). Obscene activities shall be defined as a violation of generally accepted social standards for use of publicly owned and operated communication vehicles.
- B. Using the computer network(s)/computers to violate copyrights, institutional or third party copyrights, license agreements or other contracts.

Acceptable Use of Computer Network(s)/Computers and

TELEPHONE/OTHER COMMUNICATION DEVICES

The Board of Education recognizes a support staff member may need to electronically communicate on a non-school related, personal matter using a personal cellular telephone or other personal communication device during their workday. Electronic communications include, but are not limited to: voice conversations, text-messaging, accessing social networking or other internet sites, or any other type of electronic communication.

In the event the support staff member needs to electronically communicate on a non-school related, personal matter using a personal cellular telephone or other personal communication device during their workday, the support staff member may do so provided the communication is made during the support staff member's free lunch or break periods and is made outside the presence of students either in an area inside or outside the school building designated by the support staff member's Principal or immediate supervisor.

A support staff member's personal cellular telephone or other personal communication device shall be secured by the support staff member and outside the view of others when the support staff member is performing assigned school district responsibilities.

4324 RIGHT OF PRIVACY- SUPPORT STAFF MEMBERS

The Board of Education will provide facilities and school district-owned property to assist staff members in their job responsibilities or for the staff members' convenience. These facilities or district-owned property may include, but are not limited to, an office, a storage closet, a filing cabinet, a locker, and/or a desk. The Principal or designee may provide a staff member with exclusive use and access to such facilities or school district-owned property or may require the facility or school district-owned property be shared with other staff members. The staff member may be provided a lock or key by the school district or may secure the facility or school district-owned property using their own locking device with permission from the Principal or designee, or immediate supervisor.

School staff members should be aware their expectation of privacy in these facilities and/or the school district-owned property provided by the Board of Education is reduced by virtue of actual office practices and procedures, for searches conducted pursuant to an investigation of work-related employee misconduct, or by legitimate school district policies or regulations. In addition, staff members shall have a reduced expectation of privacy in these facilities and school district-owned property if there is reasonable suspicion the staff member is violating a law or school policy. School staff members shall be on notice this reduced expectation of privacy may result in such facilities and/or school district-owned property being searched without a search warrant. In order to avoid exposing personal belongings to such a search, school staff members are discouraged from storing personal papers and effects in these facilities or school district-owned property.

4340 GRIEVANCE

The Board of Education shall develop and practice reasonable and effective means for the resolution of disputes that may arise in the employment of support staff members not covered by the terms of a negotiated agreement.

The Board directs that any grievance not provided for by negotiated agreement be resolved by submission to the following grievance procedure, which is designed to promote proper and equitable settlement of grievances at the lowest appropriate level and to facilitate an orderly process for the resolution of grievances.

For the purposes of this policy, "grievance" means an unresolved problem concerning the application or interpretation by an officer or employee of this district of law, regulations of the State Board of Education, the bylaws or policies of the Board, or the administrative regulations of the Superintendent; "grievant" is a district employee who alleges a grievance or the employee's representative; "party" means the grievant or any person named in the grievance as allegedly having violated a law, bylaw, policy, or regulation; and "day" means a school day.

A grievant may use personal leave time when it becomes necessary to process a grievance during the working day. There will be no reprisal of any kind taken against any employee or employee's representative for participation in a grievance.

Any alleged grievance should, at the first instance, be discussed in one or more private, informal conferences between the parties involved or between the grievant and his/her immediate supervisor. A grievance not resolved in one or more such private meetings may be processed in accordance with the following procedure.

Level One

Within three working days of the occurrence of the act or omission giving rise to the grievance, the grievant must present his/her grievance in writing to the grievant's immediate supervisor. The written document will be a clear, concise statement of the grievance and will include the law, rule, policy, or regulation that the grievant alleges to have been violated; the factual circumstances on which the grievance is based; the person or persons involved; the decision, if any, rendered at the private conference; and the remedy sought.

Within seven working days the supervisor shall present a decision to the grievant in writing. If the supervisor does not respond during the time permitted, the grievant may appeal to the next level.

Level Two

A grievant not satisfied with a decision at Level One may appeal that decision in writing to the Superintendent within three working days after receipt of the decision or the expiration of the time during which the decision must be rendered. The written appeal to the Superintendent will include copies of the original grievance, the appeal of that grievance at Level One, and the decision, if any, rendered at Level One. Within ten working days after the delivery of the appeal, the Superintendent shall investigate the grievance, giving all persons who participate in Level One a reasonable opportunity to be heard.

Within seven working days of the presentation of the appeal, the Superintendent shall submit a decision in writing together with the reasons that support that decision to the grievant and any other party to the grievance. If the Superintendent does not render a decision within that time limit, the grievant may appeal to the next level.

Level Three

A grievant not satisfied with the Superintendent's decision may appeal that decision in writing to the Board within three working days after the receipt of the decision or the expiration of the time during which the decision must be rendered. The written appeal to the Board will include copies of the original grievance and the appeal of that grievance at Level Two.

The Board shall schedule the grievance for hearing to be held within forty-five calendar days of the presentation of the appeal. The grievant shall be present at the hearing.

Within ten calendar days of the hearing, the Board shall submit its decision in writing together with reasons that support the decision to the grievant. A copy of the decision shall be given to the Superintendent and to any other party to the grievance.

The decision of the Board shall be final.

4351 HEALTHY WORKPLACE ENVIRONMENT

The Board of Education recognizes a healthy workplace environment enables school support staff members to fully contribute their expertise and skills to their school district responsibilities. A healthy workplace environment can improve productivity, reduce absenteeism, and reduce staff turnover while having a positive impact on the school district's programs provided to pupils in the school district.

A significant characteristic of a healthy workplace environment is that employees interact with each other with dignity and respect regardless of an employee's work assignment or position in the school district. Repeated malicious conduct of an employee or group of employees directed toward another employee or group of employees in the workplace that a reasonable person would find hostile or offensive is unacceptable and is not conducive to establishing or maintaining a healthy workplace environment. This unacceptable conduct may include, but is not limited to, repeated infliction of verbal abuse such as the use of derogatory remarks; insults; verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating; or the gratuitous sabotage or undermining of a person's work performance. A single act of such conduct shall not constitute the unacceptable conduct prohibited by this policy unless it is especially severe and egregious.

Unacceptable conduct, for the purposes of this policy, is not conduct toward an employee of a protected class or because of the employee's protected activity. These employees and activities are afforded the legal protections under various Federal and State anti-discrimination laws. In addition, unacceptable conduct for the purposes of this policy shall not be confused with conduct of management employees exercising management rights including, but not limited to, assigning tasks, reprimanding, assigning discipline, or directing.

Employees who believe the conduct prohibited by this policy has been directed toward them or to another employee of the school district shall submit a written report to the Superintendent. The written report shall provide specific details supporting the claim including, but not limited to, the specific conduct; the names of witnesses (if any) who may have observed such conduct; dates or times when such conduct occurred; and any other information the person(s) making the report believes will be informative and helpful to an investigation of the allegations. Upon receipt of a report, the Superintendent or designee will conduct an investigation and upon completion of the investigation will inform the person(s) who made the report such an investigation was completed. The amount of investigation information shared with the person(s) making the report will be at the discretion of the Superintendent or designee and may vary depending on whether the conduct reported was directed to the person(s) making the report, confidential personnel matters, and/or other issues as determined by the Superintendent or designee.

4352 SEXUAL HARASSMENT

The Board of Education recognizes that an employee's right to freedom from employment discrimination includes the opportunity to work in an environment untainted by sexual harassment. Sexually offensive speech and conduct are wholly inappropriate to the harmonious employment relationships necessary to the operation of the school district and intolerable in a workplace to which the children of this district are exposed.

Sexual harassment includes all unwelcome sexual advances, requests for sexual favors, and verbal or physical contacts of a sexual nature that would not have happened but for the employee's gender. Whenever submission to such conduct is made a condition of employment or a basis for an employment decision, or when such conduct is severe and pervasive and has the purpose or effect of unreasonably altering or interfering with work performance or creating an intimidating, hostile, or offensive working environment, the employee shall have cause for complaint.

The sexual harassment of any employee of this district is strictly forbidden. Any employee or agent of this Board who is found to have sexually harassed an employee of this district will be subject to discipline, which may include termination of employment. Any employee who has been exposed to sexual harassment by any employee or agent of this Board is encouraged to report the harassment to an appropriate supervisor. An employee may complain of any failure of the Board to take corrective action by recourse to the procedure by which a discrimination complaint is processed. The employee may appeal the Board's action or inaction to the New Jersey Division on Civil Rights or to the United States Equal Employment Opportunity Commission. Complaints regarding sexual harassment shall be submitted following the procedures outlined in Regulation 1530, Equal Employment Opportunity.

The Affirmative Action Officer shall instruct all employees of this Board to recognize and correct speech and behavior patterns that may be sexually offensive with or without the intent to offend.

4381 PROTECTION AGAINST RETALIATION

The Board of Education will take no retaliatory action, by discharge, demotion, suspension, or any other adverse action, against an employee because that employee has conscientiously:

1. Disclosed or threatened to disclose to a supervisor or public body an activity, policy, or practice of this Board or any district officer that the employee reasonably believes to be in violation of law or rule;
2. Provided information to a public body conducting an investigation, hearing, or inquiry into any alleged violation of law by the Board or an officer of this district; or
3. Objected to or refused to participate in an activity, policy, or practice of this district that the employee reasonably believes to be in violation of law or rule, fraudulent, criminal, or incompatible with a clear mandate of public policy concerning the public health, safety, or welfare or protection of the environment.

An employee who has reason to believe that the Board has engaged in an illegal activity or an activity contrary to public policy must report that belief in writing to the Superintendent before notice is given to a supervisor or a public body. The Superintendent shall promptly report the same to the Board and institute an investigation of the reported activity. The findings of the investigation will be reported in writing to the Board and to the employee.

The protection of law and this policy apply only to employees who have given notice in accordance with this policy and have afforded the Board a reasonable period of time to take any corrective action that may be required or have acted in circumstances that the employee believes in good faith constitute an emergency.

The Superintendent shall post notice of this policy and inform employees of their rights under the New Jersey Conscientious Employee Protection Act.

4421.13 POSTNATAL ACCOMMODATIONS

The Board of Education recognizes support staff members may be returning to work shortly after their child's birth and may need to express breast milk during the workday. The Patient Protection and Affordable Care Act (PPACA) amended Section 7 of the Federal Fair Labor Standards Act (FLSA) for nursing mothers to be permitted reasonable break times and a private location to express breast milk for their nursing child for one year after the child's birth.

Every employee position in the school district is designated as either "non-exempt" or "exempt" by the provisions of the FLSA. Generally, a support staff member entitled to overtime pay is designated as "non-exempt." A support staff member that performs duties that are executive, administrative, or professional in nature and not entitled to overtime pay is designated "exempt." The school district administration shall refer to the comprehensive definitions of "exempt" and "non-exempt" as outlined in 29 C.F.R. 541 et seq. in determining an employee's designation.

A Board of Education is required to provide reasonable break times to non-exempt support staff members to express breast milk for their nursing child. The non-exempt support staff member shall coordinate such breaks with their immediate supervisor. The non-exempt support staff member will not receive compensation during this break time unless the break time is during a non-exempt support staff member's compensated break time.

A Board of Education is not required under the FLSA to provide such breaks to exempt support staff members. However, exempt support staff members may take such breaks provided the breaks are coordinated with their immediate supervisor. If this break is taken during the exempt support staff member's duty free lunch period or duty free break period during the workday, the exempt support staff member will not be reduced in compensation.

The Principal or the nursing mother's immediate supervisor, in consultation with the school nurse, will designate a lactation room that is shielded from view and free from intrusion from co-workers and the public. The location must be functional as a space for expressing breast milk and shall include an electrical outlet, a chair, and nearby access to running water. If the space is not dedicated to the nursing mother's use, it must be

available when needed. A space temporarily converted into a lactation room or made available when needed by a nursing mother is sufficient; however, a bathroom, even if private, is not a permissible location under the FLSA.

All exempt and non-exempt support staff members are required to sign-out of work to begin the break to express breast milk and shall sign-in when they return to work after the break. The break shall be for a reasonable amount of time. For compensation purposes, the immediate supervisor shall forward all sign-in and sign-out information relative to break times for nursing mothers under the FLSA to the School Business Administrator/Board Secretary.

The Board of Education will permit, in accordance with law, the absence without loss of pay or of annual or accumulated sick leave benefits of a support staff member disabled by accident or injury arising out of and in the course of employment. Any such employee shall seek the workers' compensation benefits to which he/she is entitled by law.

An employee whose disability has qualified for the receipt of workers' compensation benefits shall be presumed eligible for work related disability pay under this policy. When an employee's disability is so brief as to preclude the employee's application for worker's compensation benefits, the employee may request and the Board may grant work related disability pay.

Any employee who qualified for work related disability pay under this policy shall receive full pay during the period he/she is on disability leave of absence, up to one calendar year.

Modified Duty Early Return to Work
Program – Support Staff Members

4425.1 MODIFIED DUTY EARLY RETURN TO WORK PROGRAM –
SUPPORT STAFF MEMBERS

New Jersey's workers' compensation laws provide lost wages and pay medical expenses for an employee who sustains an injury as a result of an on-the-job accident, injury, or occupational disease. Workers' compensation is designed to protect school district employees and their families against the hardships from injury arising in the workplace. In an effort to assist school staff in recovering from an eligible workers' compensation injury, the Board provides a Modified Duty Early Return To Work Program. The Program is provided to staff members who have been injured on the job, but who are not permanently disabled. The Program is intended to minimize the negative psychological impact to an injured staff member due to being out of work and to provide a transition and adjustment period for the injured staff member to return to work while recovering from an on-the-job injury.

The school district may assign temporary modified duties and responsibilities to staff members that have sustained an eligible workers' compensation injury. These employees may temporarily perform duties and responsibilities that may or may not be within their job description, or may or may not be within their department. The modified duties and/or responsibilities will be within the injured staff member's capabilities and a staff member will not be assigned any modified duties and/or responsibilities that require any certifications/licenses that are not possessed by the injured staff member.

The modified duties and responsibilities will be determined by the Superintendent, the district's designated Workers' Compensation Coordinator, after a medical examination and evaluation of the injured staff member by the Board's designated workers' compensation physician. The Workers' Compensation Coordinator will determine if the injured staff member is eligible for modified duties or responsibilities. This determination will be based on:

1. The workers' compensation physician's examination and evaluation report;
2. The injured staff member's capabilities to assume modified duties or responsibilities;
3. The availability of modified duties and responsibilities within the district at the time; and/or
4. Other issues that may impact the district's ability to assign modified duties and responsibilities.

A. Introduction

The Board will provide family leave in accordance with the Federal Family and Medical Leave Act (FMLA) and the New Jersey Family Leave Act (NJFLA).

FMLA leave for eligible staff members shall be up to twelve weeks leave of absence in any twelve month period upon advance notice to the district for the birth of a son or daughter of the staff member and in order to care for such son or daughter; for the placement of a son or daughter with the staff member for adoption or foster care; in order to care for the spouse, son, daughter, or parent of the staff member if such spouse, son, daughter, or parent has a serious health condition; or for a serious health condition that makes the staff member unable to perform the functions of the position of such staff member.

NJFLA leave for eligible staff members shall be up to twelve weeks leave of absence in any twenty-four month period upon advance notice to the district so that a staff member may provide care made necessary by the birth of a child of the staff member, the placement of a child with the staff member in connection with adoption of such child by the staff member, and the serious health condition of a spouse, parent, or child.

B. Applicability

The Board will comply with requirements of the New Jersey and Federal Family Leave laws. The laws have similar and different provisions that may provide different rights and obligations for the staff member and/or the Board. The staff member shall be afforded the most favorable rights if there is a conflict in the rights afforded to the staff member under the two laws.

1. If the staff member is eligible for leave for reasons provided under the FMLA and NJFLA, then the time taken shall be concurrent and be applied to both laws.
2. The NJFLA provides twelve weeks leave in a twenty-four month period while the FMLA provides twelve weeks leave in a twelve-month period. A staff member is eligible for up to twelve weeks leave in the first twelve months of the twenty-four month period under the NJFLA. A staff member is eligible for up to twelve weeks leave in the second twelve-month period under the FMLA.

3. In the event the reason for the family leave is recognized under one law and not the other law, the staff member is eligible for each law's leave entitlements within one twelve-month period. (Example: A staff member may use their FMLA leave for a twelve week family leave for their own pregnancy, which is considered a "serious health condition" under FMLA, and upon conclusion of the twelve week FMLA leave, the staff member would be eligible for a twelve week NJFLA leave to care for their newborn or any other reasons pursuant to the NJFLA.)
- C. Definitions
1. Federal Family and Medical Leave Act (FMLA)

"Son" or "daughter" means a biological, adopted or foster child, stepchild, legal ward, or a child of a person standing in loco parentis, who is under eighteen years of age or eighteen years of age or older but incapable of self-care because of a mental or physical impairment.

"Parent" means the biological parent of a staff member or an individual who stood in loco parentis to a staff member when the staff member was a son or daughter. This term does not include parents "in law."

"Serious health condition" means an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical facility or continuing treatment by a health care provider.

"Week" is the number of days an employee normally works each calendar week.

"Staff member" means an employee eligible for family and medical leave in accordance with the Federal Family and Medical Leave Act (FMLA).
 2. New Jersey Family Leave Act (NJFLA)

"Child" means a biological, adopted or foster child, stepchild, legal ward, child of a parent who is under eighteen years of age or a child eighteen years of age or older but incapable of self-care because of a mental or physical impairment.

"Parent" is a biological, adoptive, or foster parent; step-parent; parent-in-law; a legal guardian having a "parent-child relationship" with a child as defined by law; or a person who has sole or joint legal or physical custody, care, guardianship, or visitation with a child.

“Serious health condition” is an illness, injury, impairment, or physical or mental condition that requires inpatient care in a hospital, hospice, or residential medical facility or continuing medical treatment or continuing supervision by a health care provider.

“Week” is the number of days an employee normally works each calendar week.

“Staff member” is an employee eligible for family leave in accordance with the New Jersey Family Leave Act.

D. Eligibility

1. Federal Family and Medical Leave Act (FMLA)

A staff member shall become eligible for FMLA leave after he/she has been employed at least twelve months in this district and employed for at least 1250 hours of service during the twelve-month period immediately preceding the commencement of the leave. The twelve months the staff member must have been employed need not be consecutive months pursuant to 29 CFR Part 825 Section 110(b). The minimum 1250 hours of service shall be determined according to the principles established under the Fair Labor Standards Act (FLSA) for determining compensable hours of work pursuant to 29 CFR Part 785. Entitlement to FMLA leave taken for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care shall expire at the end of the twelve-month period beginning on the date of such birth or placement.

Pursuant to 29 CFR Part 825 Section 202, a husband and wife both employed by the district are limited to a combined total of twelve weeks of leave during the twelve-month period if the leave is taken for the birth of a son or daughter of the staff member or to care for such son or daughter after birth; for placement of a son or daughter with the staff member for adoption or foster care or in order to care for the spouse, son, daughter, or parent of the staff member with a serious health condition.

The method to determine the twelve-month period in which the twelve weeks of FMLA leave entitlement occurs will be a “rolling” twelve-month period measured backward from the date a staff member uses any family leave.

A staff member during any period of FMLA leave is prohibited from performing any services on a full-time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member using FMLA leave may commence part-time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part-time employment that commenced prior to the FMLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.

2. New Jersey Family Leave Act (NJFLA)

A staff member shall become eligible for NJFLA leave after he/she has been employed at least twelve months in this district for not less than 1,000 base hours, excluding overtime, during the immediate preceding twelve month period. The calculation of the twelve-month period to determine eligibility shall commence with the commencement of the NJFLA leave. NJFLA leave taken for the birth or adoption of a healthy child may commence at any time within a year after the date of the birth or placement for adoption.

A staff member during any period of the NJFLA leave is prohibited from performing any services on a full-time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member on NJFLA leave may commence part-time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part-time employment that commenced prior to the NJFLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.

The method to determine the twenty-four month period in which the twelve weeks of NJFLA leave entitlement occurs will be a “rolling” twenty-four month period measured backward from the date a staff member uses any leave.

E. Types of Leave

1. Federal Family and Medical Leave Act (FMLA)

A staff member may take FMLA leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program.

- a. Leave for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care may not be taken by a staff member intermittently or on a reduced leave schedule.
- b. Leave may be taken intermittently or on a reduced leave schedule when medically necessary for planned and/or unanticipated medical treatment of a related serious health condition by or under the supervision of a health care provider, or for recovery from treatment or recovery from a serious health condition.
- c. Intermittent leave means leave scheduled for periods of time from one hour or more to several weeks; however, the total time within which the leave is taken can not exceed a twelve month period for each serious health condition episode. Intermittent leave may be taken for a serious health condition that requires periodic treatment by a health care provider, rather than one continuous period of time. Intermittent leave may also be taken for absences where the staff member is incapacitated or unable to perform the essential functions of the position because of a serious health condition even if the staff member does not receive treatment by a health care provider. The staff member shall make a reasonable effort to schedule intermittent leave so as not to unduly disrupt the operations of the instructional/educational program.
- d. Reduced leave means leave scheduled for fewer than the staff member's usual number of hours worked per workweek, but not fewer than a staff member's usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule not exceeding twenty-four consecutive weeks. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.

- e. The fact that a holiday may occur within the week taken by a staff member as Family Leave has no effect and the week is counted as a week of Family Leave. However, if the staff member is out on Family Leave and the school district is closed and the staff member would not be expected to report for work for one or more weeks, the weeks the school district is closed for this staff member do not count against the staff member's family leave entitlement.

Any leave time remaining after a staff member has exhausted his/her entitlement to intermittent leave in any twelve month period may be taken as consecutive leave or reduced leave, and any leave time remaining after a staff member has exhausted his/her entitlement to reduced leave in any twelve month period may be taken as consecutive leave or intermittent leave.

2. New Jersey Family Leave Act (NJFLA)

A staff member may take NJFLA leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program.

- a. In the case of a family member who has a serious health condition, leave may be taken intermittently when medically necessary. The total time within which the leave is taken, can not exceed a twelve-month period for each serious health condition episode. The staff member will provide the district with prior notice of the leave in a manner which is reasonable and practicable; and the staff member shall make a reasonable effort to schedule the leave so as not to unduly disrupt the operations of the instructional/educational program. In the case of the birth or adoption of a healthy child, the leave may be taken intermittently only if agreed to by the staff member and the district.
- b. Reduced leave means leave scheduled for fewer than the staff member's usual number of hours worked per workweek, but not fewer than a staff member's usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule for a period not exceeding twenty-four consecutive weeks. The staff member is not entitled to take the leave on a reduced leave schedule

without an agreement between the staff member and the district if the leave is taken for the birth or adoption of a healthy child. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.

- c. The fact that a holiday may occur within the week taken by a staff member as family leave has no effect and the week is counted as a week of family leave. However, if the staff member is out on family leave and the school district is closed and the staff member would not be expected to report for work for one or more weeks, the weeks the school district is closed for this staff member do not count against the staff member's family leave entitlement.

Any leave time remaining after a staff member has exhausted his/her entitlement to intermittent leave in any twelve month period may be taken as consecutive leave or reduced leave, and any leave time remaining after a staff member has exhausted his/her entitlement to reduced leave in any twelve month period may be taken as consecutive leave or intermittent leave.

F. Notice

1. Federal Family and Medical Leave Act (FMLA)

- a. Foreseeable Leave - A staff member eligible for FMLA leave must give at least a thirty day written advance notice to the Superintendent if the need for the leave is foreseeable based on an expected birth, placement for adoption of foster care, or planned medical treatment for a serious health condition of the staff member or a family member. If thirty days is not practical, the staff member must provide notice "as soon as practicable" which means as soon as both possible and practical, taking into account all the facts and circumstances in the individual case. For foreseeable leave where it is not possible to give as much as thirty days notice "as soon as practicable" ordinarily would mean at least verbal notification to the Superintendent within one or two business days or when the need for leave becomes known to the staff member. The written notice shall include the reasons for the leave, the anticipated duration of the leave and the anticipated start of the leave.

When planning medical treatment, the staff member must consult with the Superintendent and make a reasonable effort to schedule the leave so as not to unduly disrupt the educational program, subject to the approval of the health care provider. Staff members are ordinarily expected to consult with the Superintendent prior to scheduling of treatment that would require leave for a schedule that best suits the needs of the district and the staff member.

The district may delay the staff member taking leave for at least thirty days if the staff member fails to give thirty days notice for foreseeable leave with no reasonable excuse for the delay.

- b. Unforeseeable Leave - When the approximate timing of the need for leave is not foreseeable, a staff member should give notice to the Superintendent for leave as soon as practicable under the facts and circumstances of the particular case. It is expected the staff member will give notice to the Superintendent within no more than one or two working days of learning of the need for leave, except in extraordinary circumstances where such notice is not foreseeable. The staff member should provide notice to the employer either in person or by telephone, telegraph, facsimile machine or other electronic means.

2. New Jersey Family Leave Act (NJFLA)

- a. Foreseeable Leave - A staff member eligible for NJFLA leave must give at least a thirty day advance written notice to the Superintendent of the need to take family leave except where the need to take family leave is not foreseeable.
 - i. Notice for leave to be taken for the birth or placement of the child for adoption shall be given at least thirty days prior to the commencement of the leave, except that if the date of the birth or adoption requires leave to begin in less than thirty days, the employee shall provide such notice that is reasonable and practicable.
 - ii. Notice for leave to be taken for the serious health condition of a family member shall be given at least fifteen days prior to the commencement of leave, except that if the date of the treatment or supervision requires leave to begin in less than fifteen days, the staff member shall provide such notice that is reasonable and practicable.

iii. When the Superintendent is not made aware that a staff member was absent for family leave reasons and the staff member wants to request the leave be counted as family leave, the staff member must provide timely notice within two business days of returning to work to have the time considered for family leave in accordance with the Family Leave Act.

b. Unforeseeable Leave - When the need for leave is not foreseeable, the staff member must provide notice "as soon as practicable" which shall be at least verbal notice to the Superintendent within one or two business days of the staff member learning of the need to take family leave. Whenever emergent circumstances make written notice impracticable, the staff member may give verbal notice to the Superintendent, but any verbal notice must be followed by written notice delivered within two working days.

G. Leave Designation

An eligible staff member shall designate FMLA or NJFLA leave upon providing notice of the need for the leave or when the need for leave commences. The Superintendent shall provide the staff member with this Policy to assist the staff member in determining the type of leave.

H. Benefits

The Federal Family and Medical Leave Act and/or the New Jersey Family Leave Act shall be unpaid leave.

The Board will maintain coverage under any group health insurance policy, group subscriber contract, or health care plan at the level and under the conditions coverage would have been provided if the staff member had continued to work instead of taking the leave. If the staff member was paying all or part of the premium payments prior to the leave, the staff member would continue to pay his/her share during the leave time. Any ten month staff member who is on leave under NJFLA or FMLA at the end of the school year will be provided with any benefits over the summer that the employee would normally receive if they had been working at the end of the school year.

I. Returning from Leave

The Federal Family and Medical Leave Act and/or the New Jersey Family Leave Act

A staff member returning from leave shall be entitled to the position he/she held when leave commenced or to an equivalent position of like seniority, status, employment benefits, pay and other conditions of employment. If the district experiences a reduction in force or layoff and the staff member would have lost his/her position had the staff member not been on family leave as a result of the reduction in force or pursuant to the good faith operation of a bona fide layoff and recall system including a system under any collective bargaining agreement, the staff member shall be entitled to reinstatement to the former or an equivalent position in accordance with applicable statutes, codes and laws. The staff member's tenure and seniority rights, if any, and other benefits shall be preserved, but the staff member shall accrue no additional time toward tenure or seniority for the period of the leave, except as may be provided by law.

The return of a staff member prior to the expiration of the requested family leave may be permitted by the Board if the return does not unduly disrupt the instructional program or require the Board to incur the cost of continuing the employment of a substitute under contract.

If leave is taken under FMLA, and the staff member does not return to work after the leave expires, the Board is entitled to recover health insurance costs paid while the staff member was on FMLA. The Board's right to recover premiums would not apply if the staff member fails to return to work due to:

1. The continuation, onset or recurrence of a serious health condition of the staff member; or
2. Circumstances beyond the staff member's control.

J. Ineligible Staff Members

1. Federal Family and Medical Leave Act (FMLA)

The district may deny job restoration after FMLA leave if the staff member is a "key employee" as defined in 29 CFR 825 Section 217 if such denial is necessary to prevent substantial and grievous economic injury to the district or the district may delay restoration to a staff member who fails to provide a fitness for duty certificate to return to work for leave that was the staff member's own serious health condition. A "key employee" is a salaried, staff member who is among the highest paid ten percent of the school district staff employed by the district within 75 miles of the worksite. No more than ten percent of the school district staff within 75 miles of the worksite may be "key employees."

In the event the Superintendent believes that reinstatement may be denied to a key employee, the Superintendent must give written notice to the staff member at the time the staff member gives notice of the need for leave, or when the need for leave commences, if earlier, that he/she qualifies as a key employee. The key employee must be fully informed of the potential consequences with respect to reinstatement and maintenance of health benefits if the district should determine that substantial and grievous economic injury to the district's operations will result if the staff member is reinstated from leave. The district's notice must explain the basis for the district's finding that substantial and grievous economic injury will result, and if leave has commenced, must provide the staff member a reasonable time in which to return to work. If the staff member on leave does not return to work in response to the notice of intent to deny restoration, the staff member continues to be entitled to maintenance of health insurance.

A key employee's rights under the FMLA continue unless and until the staff member either gives notice that he/she no longer wishes to return to work or the district actually denies reinstatement at the conclusion of the leave period. A staff member is still entitled to request reinstatement at the end of the leave period even if the staff member did not return to work in response to the district's notice. The district will then again determine whether there will be substantial and grievous economic injury from reinstatement based on the facts at that time. If it is determined that substantial and grievous economic injury will result, the district will notify the staff member in writing (in person or by certified mail) of the denial of the restoration.

2. New Jersey Family Leave Act

The district may deny family leave to the staff member if the staff member is a salaried employee who is among the highest paid five percent of the school district staff or one of the seven highest paid employees of the district, whichever is greater, if the denial is necessary to prevent substantial and grievous economic injury to the school district's operations. The Superintendent shall notify the staff member of the intent to deny the leave at the time the Superintendent determines the denial is necessary. If the leave has already commenced at the time of the district's notification of denial, the staff member shall be permitted to return to work within ten working days of the date of notification.

K. Verification of Leave

1. Federal Family and Medical Leave Act (FMLA)

The Board requires a staff member's FMLA leave to care for the staff member's seriously ill spouse, son, daughter, or parent, or due to the staff member's own serious health condition that makes the staff member unable to perform one or more of the essential functions of the staff member's position, be supported by a certification issued by the health care provider of the staff member or the staff member's ill family member. The certification must meet the requirements of 29 CFR Section 825.306 to include: which part of the definition of "serious health condition" applies; the approximate date the serious health condition commenced and its probable duration; whether it will be necessary for the staff member to take intermittent and/or reduced leave; whether the patient is presently incapacitated and the likely duration and frequency of episodes of incapacity; if additional treatments will be required for the condition; and/or if the patient's incapacity will be intermittent or will require reduced leave. The certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement.

In the event the Superintendent doubts the validity of the certification, in accordance with 29 CFR Section 825.307, the district may require, at the district's expense, the staff member obtain an opinion regarding the serious health condition from a second health care provider designated by the district, but not employed on a regular basis by the district. If the second opinion differs from the staff member's health care provider, the district may require, at the district's expense, the staff member obtain the opinion of a third health care provider designated by the district or approved jointly, in good faith, by the district and the staff member. The opinion of the third health care provider shall be final and binding on the district and the staff member.

The district may require re-certification pursuant to the requirements of 29 CFR Section 825.308. In accordance with 29 CFR Section 825.309, the staff member on leave must provide a written report to the Superintendent every thirty workdays. The report shall include the staff member's status and intended date to return to work. In the event the staff member's circumstances change, the staff member must provide reasonable notice to the Superintendent if the staff member

intends to return to work on a date sooner than previously noticed to the district. The staff member is not required to take more leave than necessary to resolve the circumstance that precipitated the need for leave. As a condition of returning to work after the leave for the staff member's own serious health condition, and in accordance with 29 CFR Section 825.310, the district requires a staff member to provide a certification from their health care provider that the staff member is able to resume work.

In accordance with 29 CFR Section 825.311, the district may delay the taking of FMLA leave to a staff member who fails to provide certification within fifteen days after being requested to do so by the district. In accordance with 29 CFR Section 825.312, the district may delay the taking of leave until thirty days after the date the staff member provides notice to the district of foreseeable leave or the district may delay continuation of leave if a staff member fails to provide a requested medical certification in a timely manner.

2. New Jersey Family Leave Act

The Board shall require the certification of a duly licensed health care provider verifying the purpose of requested NJFLA leave. Certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement, whichever is appropriate.

In the event the Superintendent doubts the validity of the certification for the serious health condition of a family member of the staff member, the district may require, at the district's expense, the staff member to obtain an opinion regarding the serious health condition from a second health care provider designated or approved, but not employed on a regular basis, by the district. If the second opinion differs from the certification the district may require, at the district's expense, that the staff member obtain the opinion of a third health care provider designated or approved jointly by the district and the staff member concerning the serious health condition. The opinion of the third health care provider shall be final and binding on the district and the staff member.

L. Interference with Family Leave Rights

The Federal Family and Medical Leave Act and the New Jersey Family Leave Act prohibit interference with a staff member's rights under the law, and with legal proceedings or inquiries relating to a staff member's rights. Unless permitted by the law, no staff member shall be required to take family leave or to extend family leave beyond the time requested. A staff member shall not be discriminated against for having exercised his/her rights under the Federal Family and Medical Leave Act or the New Jersey Family Leave Act nor discouraged from the use of family leave.

M. Non-Tenured Teaching Staff

Family leave granted to a nontenured staff member cannot extend the employee's employment beyond the expiration of his/her employment contract.

N. Record Keeping

In order that staff member's entitlement to FMLA leave and NJFLA leave can be properly determined, the Superintendent shall ensure the keeping of accurate attendance records that distinguish family leave from other kinds of leave. The Superintendent will publish a notice explaining the Act's provisions and provide information concerning the procedures for filing complaints of violations of the FMLA and NJFLA.

Implementation of FMLA and NJFLA will be consistent with provisions in collective bargaining agreement(s) in the district.

4431.3 NEW JERSEY'S FAMILY LEAVE INSURANCE PROGRAM

Board of Education employees are eligible to apply for benefits under New Jersey's Family Leave Insurance Program administered by the State of New Jersey – Department of Labor and Workforce Development. New Jersey's Family Leave Insurance Program (NJFLI) may provide up to six weeks of family leave insurance benefits payable to covered employees from either the New Jersey State Plan or an approved employer-provided private plan.

A benefit provided through the NJFLI will be for the employee to bond with a child during the first twelve months after the child's birth, if the covered individual or the domestic partner or civil union partner of the covered individual is a biological parent of the child, or the first twelve months after the placement of the child for adoption with the covered individual. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI must provide the Superintendent written notice thirty calendar days prior to beginning the leave. Failure to provide this thirty-day notice may result in a reduction in the employee's maximum family leave insurance benefits. Intermittent leave to bond with a newborn or newly adopted child must be agreed to by the Superintendent and the employee and, if agreed to, must be taken in periods of seven days or more.

A benefit provided through the NJFLI will also be to care for a family member with a serious health condition supported by a certification provided by a health care provider. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI for consecutive leave must provide the school district reasonable and practical notice unless the time of the leave is unexpected or the time of the leave changes for unforeseen reasons. An employee who intends to apply for benefits under this provision of the NJFLI for intermittent leave must provide the school district with a written notice at least fifteen calendar days prior to beginning the leave.

For the purposes of this Policy, "family member" means a child, spouse, domestic partner, civil union partner, or parent of a covered individual. "Child" means a biological, adopted, or foster child, stepchild, or legal ward of a covered individual, child of a domestic partner of the covered individual, or child of a civil union partner of the covered individual, who is less than nineteen years of age or is nineteen years of age or older but incapable of self-care because of mental or physical impairment.

All applications for benefits under the NJFLI must be filed directly with the State of New Jersey – Department of Labor and Workforce Development. The eligibility requirements, wage requirements, benefit duration and amounts, and benefit limitations shall be in accordance with the provisions of the NJFLI as administered by the State of New Jersey – Department of Labor and Workforce Development. A formal appeal may be submitted to the State of New Jersey – Department of Labor and Workforce Development if an employee or the Board disagrees with a determination on a claim.

New Jersey's Family Leave Insurance Program

The NJFLI provides eligible individuals a monetary benefit and not a leave benefit. In addition, the school district administrative and related staff will comply with the State of New Jersey - Department of Labor and Workforce Development requests for information in accordance with the provisions of N.J.A.C. 12:21-3.9.

The Board may elect to provide employees with Family Leave Insurance benefits coverage under a private plan which must be approved by the State of New Jersey – Department of Labor and Workforce Development.

A printed notification of covered individuals' rights relative to the receipt of benefits under the NJFLI will be posted in each of the school district worksites and in a place or places accessible to all employees at the worksite. Each employee shall receive a copy of this notification in writing at the time of the employee's hiring, whenever the employee provides written notice to the Superintendent of their intention to apply for benefits under the NJFLI, or at any time upon the first request of the employee. The written notification may be transmitted to the employee in electronic form.

4432 SICK LEAVE

The Board of Education will consider requests for extension of sick leave benefits on a case-by-case basis.

The regular and prompt attendance of every staff member is an essential element in the efficient operation of the school district and the effective conduct of the educational program. Because absenteeism exacts a high cost in the depletion of district resources and in the disruption of the educational program, the Board is vitally interested in the attendance of each employee and considers conscientious attendance an important criterion of satisfactory job performance.

The Board recognizes its statutory duty to pay regularly contracted support staff members of this district in full for days on which they are absent from work for reasons of personal injury or illness or quarantine. All employees of the district eligible for sick leave not otherwise covered by the terms of a negotiated agreement shall receive one sick leave day for each calendar month or major portion of a calendar month of service with unlimited accumulation. A sick leave will commence when the employee or his/her agent reports the absence to the Superintendent. A sick leave day, once commenced, may be reinstated as a working day only with the approval of the Superintendent. No day will be considered to be a sick leave day on which the employee has engaged in or prepared for other gainful employment, has participated in a work stoppage, or has engaged in any activity that would raise doubts regarding the validity of the sick leave request. The use of less than a full sick day for any absence must be pre-approved by the Superintendent.

The Board reserves the right to require verification, which may include a physician's certification, of the claimant employee's illness or disability or quarantine. The misuse of sick leave shall be considered a serious infraction and subject to discipline.

The Superintendent shall submit to the Board the names of those employees absent for noncompensable cause or whose claim for sick leave pay cannot be justified.

Anticipated Disability

4435 ANTICIPATED DISABILITY

The Board of Education shall provide for leaves of absence, in accordance with law and the policies of this Board, for any employee of this district not otherwise covered by the terms of the negotiated agreement whose absence from duties will be required for a foreseeable event of disability such as childbirth or surgery.

An employee who anticipates disability shall so notify the Superintendent as soon as the employee is under medical supervision for the condition and a date is projected for the anticipated disability. Because of the potentially disabling nature of pregnancy and the certainty of temporary disability at parturition, the Board will presume that a pregnant employee is disabled for work thirty days before the anticipated date of childbirth and continues to be disabled for thirty days after parturition, except that any such employee who presents medical certification of her fitness may continue to work until she is actually disabled and may return to work as soon as she is able.

The Board reserves the right to require an employee who requests an extended leave of absence that includes anticipated disability to commence and/or terminate the leave at times that ensure continuity in district operations. Whenever possible, partial year leaves of absence will begin and end at divisions in the academic calendar and will cause not more than one interruption in employment continuity during the school year in which the leave is taken. No person who is required to take leave at a time other than that requested will be denied the use of sick leave for the anticipated disability that occurs or is presumed to occur during the leave.

An employee who anticipates a disability may request a leave of absence to commence before disability and to extend beyond the period of disability. Any such request shall be subject to Board discretion and the Board's policy on leave of absence. An employee on voluntary leave of absence is not eligible for sick leave pay for disability occurring during the period of that absence.

Any leave of absence for such duty in excess of ninety work days shall be without pay, but without loss of time. Such leave shall be in addition to the regular vacation or other accrued leave provided to the officer or employee. A full-time temporary officer or employee who has served under such temporary appointment for less than one year in the district shall receive this leave without pay, but without loss of time.

A permanent or full-time temporary officer or employee of the school district who is a member of the organized reserve of the Army of the United States, United States Naval Reserve, United States Air Force Reserve, or United States Marine Corps Reserve, or other organization affiliated therewith, including the National Guard of other States, shall be entitled, in addition to pay received, if any, as a member of a reserve component of the Armed Forces of the United States, to a leave of absence from his or her respective duty without loss of pay or time on all work days on which he or she shall be engaged in any period of Federal active duty, provided, however, that such leave of absence shall not exceed thirty work days in any calendar year.
