6111 SPECIAL EDUCATION MEDICAID INITIATIVE (SEMI) PROGRAM

Every New Jersey school district, with the exception of any district that obtains a waiver of the requirements of N.J.A.C. 6A:23A-5.3 pursuant to the procedures set forth at N.J.A.C. 6A:23A-5.3(b), shall take appropriate steps to maximize its revenue from the Special Education Medicaid Initiative (SEMI) Program by following policies and procedures to maximize participation in the program as set forth in N.J.A.C. 6A:23A-5.3(d) and to comply with all program requirements as set forth in N.J.A.C. 6A:23A-5.3(e).

The school district may seek, in the prebudget year, a waiver of the requirements of N.J.A.C. 6A:23A-5.3 in accordance with the procedures as outlined in N.J.A.C. 6A:23A-5.3(b). As part of the annual budget information, the Department of Education shall provide each school district with a projection of available SEMI reimbursement for the budget year, as determined by the State Department of Treasury's third party administrator for SEMI.

Beginning with the 2009-2010 school year, the school district shall recognize as revenue in its annual school district budget no less than ninety percent of the projection provided by the Department of Education. The district may seek approval from the Executive County Superintendent to use its own projection of SEMI reimbursement upon demonstration that the numbers it used in calculating the projection are more accurate than the projection provided.

The school district shall strive to achieve maximum participation in the SEMI program. "Maximum participation" means obtaining a ninety percent return rate of parental consent forms for all SEMI eligible pupils. Districts shall enter all pupils following their evaluations into the third-party system to identify the district's universe of eligible pupils. This can be done without parental consent.

Districts participating in the SEMI reimbursement program shall comply with program requirements as outlined in N.J.A.C. 6A:23A-5.3(e).

A school district that has less than ninety percent participation of SEMI eligible pupils in the prebudget year or that has failed to comply with all program requirements set forth in N.J.A.C. 6A:23A-5.3(e) shall submit a SEMI action plan to the Executive County Superintendent for review and approval as part of the school district's proposed budget submission. The district's SEMI action plan shall include the components as outlined in N.J.A.C. 6A:23A:5.3(g).

Districts that did not achieve ninety percent participation or achieve their approved benchmarks in the SEMI program for a given budget year and cannot demonstrate that they fully implemented their Department of Education approved SEMI action plan, shall be subject to review for the withholding of State aid by the Commissioner pursuant to N.J.S.A. 18A:55-3 in an amount equal to the SEMI revenue projection based on their approved benchmark for the budget year, if applicable, less actual SEMI reimbursements for the budget year. The State aid deduction shall be made in the second subsequent year after the budget year.

N.J.A.C. 6A:23A-5.3

Adopted: 7 September 2010

6112 REIMBURSEMENT OF FEDERAL AND OTHER
GRANT EXPENDITURES

The Cash Management Improvement Act (CMIA) and related Federal regulations require a State to minimize the time elapsing between the transfer of funds from the United States Treasury and the expenditure of funds for program purposes. This requirement applies to grantees such as the State of New Jersey and their subgrantees, such as a school district. The State of New Jersey and school districts must assure funds have been, or will be, spent within a minimal amount of time after having been drawn from the Federal government.

In accordance with this requirement, the New Jersey Department of Education (NJDOE) has implemented a reimbursement request system of payment. The procedures as outlined in the New Jersey Department of Education Policies and Procedures for Reimbursement of Federal and Other Grant Expenditures shall be followed by school districts in submitting reimbursement requests. Reimbursement requests for entitlement grant awards under the Every Student Succeeds Act (ESSA), the Individuals with Disabilities Education Act (IDEA), the Carl D. Perkins Career and Technical Education Improvement Act of 2006, and any other program designated by the NJDOE shall be made using the NJDOE's Electronic Web-Enabled Grant (EWEG) System.

Reimbursement requests by the School Business Administrator/Board Secretary or designee shall be made for individual titles and awards using the payment functionality of the EWEG system. Only one reimbursement request per month may be submitted for an individual title, award, or subgrant. Reimbursement requests may only be for expenditures that have already occurred or will occur within three business days of receipt of funds.

The submission of a reimbursement request constitutes a certification by the School Business Administrator/Board Secretary that the school district has previously made the appropriate expenditures and/or will make the expenditures within three business days of receipt of funds and that the expenditures are allowable and appropriate to the cost objective(s) of the subgrant.

The Superintendent or designee is responsible for submitting an amendment application to the NJDOE for approval if a new budget category for which no funds were previously budgeted or approved has been created. The Superintendent or designee is responsible for submitting an amendment application to the NJDOE for approval if cumulative transfers among expenditure categories exceed ten percent of the total award. The Superintendent or designee is responsible for monitoring the cumulative ten percent level of fiscal change.

Reimbursement requests must be in accordance with approved grant applications. A reimbursement request may be submitted at any time after the subgrant has received final NJDOE approval. Reimbursement requests submitted at least ten business days before the end of the month but no later than the fifteenth day of the month will be reviewed and, if approved, processed for payment the first business day of the following month. School districts will normally receive payment by the fifth business day of the month and will be able to track the grant's payment history in EWEG through the payments link of the grant application.

Reimbursement requests must contain a brief description of the expenditures for which reimbursement is being requested. Individual line items need not be detailed. Expenditures must be supported by documentation at the school district level but should not be submitted to the NJDOE with a reimbursement request. The Superintendent or designee is responsible to maintain supporting documentation for seven years and for making it available to the NJDOE, the United States Department of Education, and/or their authorized representatives upon request. Documentation for salary expenditures is subject to the requirements of the Federal Uniform Grant Guidance. Documentation for all other expenditures must include evidence that the expenditures are allowable costs and of the relationship of the expenditure to the subgrant's cost objectives.

The NJDOE staff will review reimbursement requests to determine that they meet the subgrant's criteria. When a reimbursement request is approved or denied, the school district will receive an email notification through the EWEG system. Approval of a reimbursement request by NJDOE does not imply approval of the expenditures as

allowable or appropriate to the subgrant's cost objectives as the approval of expenditures will continue to be processed through the final report.

The School Business Administrator/Board Secretary or designee assumes responsibility for assuring that all funds requested through the EWEG system either have already been expended, or will be expended within three business days of receipt of funds.

6141 TAX REVENUES

The Board of Education believes that the interests of district taxpayers as well as the interests of the educational program are best served by the orderly, planned transfer of tax revenues to the school district as such funds are required to pay the debts of the district.

The Board Secretary shall request the Municipal Treasurer to transfer tax revenues in anticipation of district expenditures in accordance with law and as approved by this Board of Education.

6150 TUITION INCOME

The Board of Education will charge and assess tuition for students attending this school district that are not entitled to receive a free public education in this district or from a student's sending district for the student attending this school district as provided for by State statute.

A receiving public school district Board and a sending public school district Board will establish a written contractual agreement for the ensuing school year with a tentative tuition charge multiplied by the estimated average daily enrollment in accordance with N.J.A.C. 6A:23A-17.1(f). The sending district is required in the contractual agreement to pay ten percent of the tentative tuition charge no later than the first of each month from September through June of the contract year. Adjustments will be made in accordance with N.J.A.C. 6A:23A-17.1(f).

The Board will, with the consent of the Board upon such terms, admit nonresident students on a tuition basis pursuant to N.J.S.A. 18A:38-3.

The School Business Administrator/Board Secretary shall be responsible for the assessment and collection of tuition.

The Executive County Superintendent in the county in which the receiving district is located should be consulted to mediate disputes that arise from tuition matters as defined in N.J.A.C. 6A:23A-17.1(f)5.

6160 GRANTS FROM PRIVATE SOURCES

The Board of Education encourages the development of proposals to private foundations and other sources of financial aid to subsidize such activities as innovative projects, feasibility studies, long-range planning, and research and development. Any such activity must:

1. Be based on a specific set of project objectives that relate to the established goals of the district;
2. Provide measures for evaluating whether or not project objectives are being achieved; and
3. Conform to applicable state and federal laws and to Board policies.

All grant proposals must be approved by the Board before being submitted to the funding agency. The Superintendent shall establish regulations for the processing of proposal ideas throughout the district.

Adopted: 7 September 2010

6162 CORPORATE SPONSORSHIPS

The Board of Education recognizes and appreciates the financial support received from federal and State funding sources and from local taxpayers. The Board desires to expand revenue sources for the financial needs of the school district and encourages financial support to the school district from non-school sponsored organizations. A “corporate sponsor”, for the purposes of this Policy, is a non-school sponsored person and/or organization that offers to provide support to the school district through financial or material means in exchange for recognition and/or acknowledgement.

The Board believes school-community relationships based on sound principles and community input can contribute to maintaining and improving high quality education programs and facilities. Corporate sponsorship activities that are consistent with the goals and objectives of the school district may be evaluated and recommended to the Board of Education for implementation within the district by the Superintendent. This Policy shall be administered to protect the school district’s name, pupils, and/or staff against exploitation.

Corporate Sponsorship Proposals

A potential corporate sponsor must submit a written corporate sponsorship proposal to the Superintendent. An organization’s sponsorship activity may include, but is not limited to, financial support to a school curricular or co-curricular activity or program, a school facility improvement, and/or a school assembly program. No pupil or staff member will be required to participate in surveys and/or focus groups as a condition of a corporate sponsorship.

In appreciation for such sponsorship, the school district will appropriately acknowledge the organization’s contribution to the school district. The acknowledgment may include a public address announcement at an activity, signage at the activity or on school grounds, or through other reasonable means. Posting of signs identifying the sponsor shall not be considered the district’s endorsement of the product or service of a company.

The Board reserves the right to terminate the sponsorship at any time. Therefore, all corporate sponsorship proposals must include provisions for such termination, which may include the return of any funding, goods, and/or services provided to the district.

The corporate sponsorship proposal shall include the specific sponsorship activity, the proposed time period/duration of the activity, the requested acknowledgement, and the terms of termination in the event the Board decides to terminate such corporate sponsorship. The return of any benefits provided to the district as a result of the Board’s termination will be limited to and in accordance with the provisions of the written corporate sponsorship proposal approved by the Board.

Board Approval of Corporate Sponsorship Activities

All corporate sponsorship proposals must be approved by the Board.

In the event there are competing proposals for the same or similar sponsorship, the Board President will designate an Ad Hoc Board Committee to review the Superintendent's recommendation to the Board. All corporate sponsorship proposals recommended by the Superintendent will be discussed at a public Board meeting with the proposal being included on the Board Meeting agenda in accordance with Bylaw 0164 – Conduct of Board Meetings.

Duration of Corporate Sponsorship Activities

A corporate sponsorship shall not exceed twelve months in duration and will not be approved by the Board in excess of twelve months. At the conclusion of this approved period, and if the sponsor desires to continue the sponsorship, an updated sponsorship proposal must be prepared by the sponsor and submitted to the Superintendent for approval by the Board for another twelve month period. There shall be no expectation a corporate sponsorship will be renewed beyond the Board approval dates. There shall be no limit to the number of times the Board approves the updated sponsorship proposal.

Acceptance of Corporate Sponsorships

Any sponsored or donated material, equipment, personal property or other benefit derived by the district through corporate sponsorships will be held to the same standards used for district purchases. Corporate sponsorship proposals that provide gifts, grants, and donations to the school district shall be accepted in accordance with the provisions of Policy 7230 – Gifts, Grants and Donations.

Applicable Laws

All corporate sponsorship proposals presented and approved by the Board shall be consistent with all district collective bargaining agreements, competitive bidding and purchasing laws, district policy and regulations, and all applicable federal and State laws, administrative codes, rules, and regulations.

Adopted: 7 September 2010

6210 FISCAL PLANNING

The Board of Education shall collect and assemble the information necessary to discharge its responsibility for the fiscal management of the school district and to plan for the financial needs of the educational program. The Board will strive toward maintaining both short and long range perspectives of district financial requirements.

Accordingly, the Board directs the School Business Administrator/Board Secretary to include cost estimates in all ongoing district studies of the educational program, to prepare a long range year-by-year plan for the maintenance and replacement of facilities and equipment, to forecast an estimated expenditure budget for one year in the future, to maintain a plan of anticipated state and federal revenues, to meet periodically with the municipal governing board to review planned expenditures and the joint effect of school and community costs on tax rates, and to report to the Board any serious financial forecast that emerges from the district's fiscal planning.

Adopted: 7 September 2010

6220 BUDGET PREPARATION

The annual budget is the financial plan for the effectuation of the educational plan for the district; its preparation is, therefore, one of the most important functions performed by the Board of Education. The budget shall be designed to carry out that plan in a thorough and efficient manner, to maintain school district facilities, and to honor continuing obligations of the district.

A proposed budget requires the critical analysis of every member of the Board during its preparation. The administration shall work with the Board to ensure Board members have a thorough understanding of the budget appropriations, budget revenue, the proposed educational program and the budget's impact to the local tax levy. The Board shall also provide for community input during the budget development process.

The annual school district budget and supporting documentation shall be prepared in accordance with the provisions of N.J.S.A. 18A:7F et seq. and N.J.A.C. 6A:23A-8.1 et seq. The Board will obtain approval of the local funding for a non-referendum capital project (school facility project or other capital project) in accordance with the provisions of N.J.A.C. 6A:23A-8.4.

The Board will submit its proposed budget and supporting documentation as prescribed by the Commissioner to the Executive County Superintendent for approval.

The budget will be presented to the Board of Education to allow adequate time for review and adoption. The budget should evolve primarily from the needs of the individual schools as expressed by the Building Principals and the district educational program as expressed by the central administrative staff and be compatible with approved district plans.

The Board shall include in the budget application to the Executive County Superintendent a complete reporting of revenues and appropriations and other requirements pursuant to N.J.S.A. 18A:22-8 and N.J.S.A. 18A:7F-5 through 63.

The Board, upon submission of its budget application to the Executive County Superintendent or by the statutory submission date, whichever is earlier, shall make available upon request for public inspection all budget and supporting documentation contained in the budget application and all other documents listed in N.J.A.C. 6A:23A-

8.1 once the budget application has been submitted to the Executive County Superintendent for approval.

The budget as adopted for the school year pursuant to N.J.S.A. 18A:7F-5 shall be provided for public inspection on the district's Internet site, if one exists, and made available in print in a "user-friendly" plain language budget summary format in accordance with the provisions of N.J.A.C. 6A:23A-8.1(c).

All budgetary and accounting systems used in the school district must be in accordance with double entry bookkeeping and Generally Accepted Accounting Principles as required in N.J.A.C. 6A:23A-16.1 et seq.

N.J.S.A. 18A:7F et seq.; 18A:22-7 et seq.
N.J.A.C. 6A:23A-8.1 et seq.; 6A:23A-16.1 et seq.

Re-adopted: May 10, 2016

6230 BUDGET HEARING

The annual budget adopted by the Board of Education and approved by the County Superintendent represents the Board's position on the allocation of resources required to operate a thorough and efficient system of education. All reasonable means shall be employed by the Board to present and explain that position to residents and taxpayers of the community. A public budget hearing will be conducted in accordance with law. Each member of the Board and each district administrator shall be sufficiently acquainted with the budget and its underlying purposes to answer questions from members of the public.

The approved budget will be made available to the public in the form and at the places required by law. A simplified form of the budget may also be prepared annually and may be sent to each district resident, each parent(s) or legal guardian(s) of a pupil in public school, and representative of community organizations and distributed to each person attending the annual budget hearing.

The simplified budget may include the expenditure in each major category of current expense, capital items, and debt service; any anticipated change in tax rates; a summary of anticipated receipts; information that voters may use in comparing budget provisions in this school district with those in comparable districts; brief explanations of significant increases and decreases from the preceding budget and important transfers of expenditures from one classification to another; and a letter of transmittal from the Board.

6311 CONTRACTS FOR GOODS OR SERVICES
FUNDED BY FEDERAL GRANTS

Any vendor providing goods or services to the school district to be funded by a Federal grant must be cleared for contract in accordance with the provisions of the Federal Acquisition Regulations (FAR) Subpart 9.4 – Debarment, Suspension, and Ineligibility.

The School Business Administrator/Board Secretary shall be responsible to check the web-based Excluded Parties Lists System (EPLS) maintained by the General Services Administration (GSA). The purpose of the EPLS is to provide a single comprehensive list of individuals and firms excluded by Federal government agencies from receiving Federal contracts or Federally approved contracts or Federally approved subcontracts and from certain types of Federal financial and nonfinancial assistance and benefits.

The School Business Administrator/Board Secretary, upon opening of bids or upon receipt of proposals for goods or services to be funded by a Federal grant shall review the EPLS to determine if the vendor has been disbarred, suspended, or proposed for disbarment. The School Business Administrator/Board Secretary shall also review the EPLS list immediately prior to the award of a bid or contract to ensure that no award is made to a vendor on the list.

In the event a vendor under consideration to be awarded a bid or contract for goods or services to be funded by a Federal grant is on the EPLS list or proposed for disbarment, the School Business Administrator/Board Secretary shall comply with the contracting restrictions as outlined in FAR Subpart 9.405.

Continuation of current contracts and restrictions on subcontracting with vendors who are on the EPLS list or proposed for disbarment shall be in accordance with the limitations as outlined in FAR Subparts 9.405.1 and 9.405.2.

Any rejection of a bid or disqualification of a vendor who has been disbarred, suspended, or proposed for disbarment shall be consistent with the requirements as outlined in N.J.S.A. 18A:18A – Public School Contracts Law and all applicable State laws.

Federal Acquisition Regulations (FAR) Subpart 9.4

Adopted: May 10, 2016

6320 PURCHASES SUBJECT TO BID

The Board of Education directs the establishment and conduct of bidding procedures that serve the public interest and provide each qualified vendor an equal opportunity to furnish goods and services to the district.

Every contract for the performance of work or the purchase or lease of materials or supplies not exempted by law will be subject to public bidding whenever the aggregate value of such a contract within one contract year exceeds the bid threshold established by law and in accordance with N.J.S.A. 18A:18A-3.(a). Whenever possible, purchases will be aggregated; purchases may not intentionally be divided to avoid the requirements for competitive bidding as required in N.J.S.A. 18A:18A-8. The purchase of textbooks and materials that exceed the bid threshold and are approved by the Board pursuant to N.J.S.A. 18A:34-1 shall not require the further adoption of a resolution for purchase.

Bid specifications will be prepared and/or are coordinated by the School Business Administrator/Board Secretary. Each bid specification will offer a common standard of competition and will assert the Board's right to accept reasonable equivalents and to reject all bids and readvertise. The School Business Administrator/Board Secretary is authorized to advertise for bids in accordance with N.J.S.A. 18A:18A-21 without the prior approval of the Board, but shall inform the Board of any such advertisement at the Board meeting next following. Records of advertisements will be kept in detail sufficient to show that a reasonable number of qualified vendors were invited to bid.

Bids shall be opened publicly by the School Business Administrator/Board Secretary and/or designee before one or more witnesses at a previously designated time and place. Contracts will be awarded, on a resolution duly adopted by the Board, to the lowest responsible bidder who submits the lowest responsible bid, except that the Board may choose to reject all bids, to readvertise, or to purchase under a State contract. The Board may disqualify a bidder who would otherwise be determined to be the lowest responsible bidder in accordance with N.J.S.A. 18A:18A-4. Whenever two or more bids are the lowest bids submitted by responsible bidders, the Board shall determine to which bidder the contract will be awarded.

The bid of a vendor who claims, before bids are opened, a mistake or omission in its preparation will be returned unopened. A bidder who discovers a mistake or omission after bids have been opened may withdraw the erroneous bid provided he or she gives immediate written notice of the mistake or omission and certification, supported by clear evidence, that he or she exercised reasonable care in the examination of the specifications and preparation of the bid. Any bidder who withdraws an opened bid shall forfeit any bid security deposited with the bid in accordance with law.

In accordance with the provisions of N.J.A.C. 6A:23A-5.4, pursuant to the authority granted the Commissioner of Education under N.J.S.A. 18A:55-2 and N.J.S.A. 18A:7F-60, the Commissioner shall subject to review for the withholding of State funds any school district that fails to obey the provisions of the Public Contract law, N.J.S.A. 18A:18A-1 et seq. The amount of funds to be withheld shall equal the amount of the contract awarded in violation of the provisions of N.J.S.A. 18A:18A-1 et seq. except for violations related to the award of contracts under the extraordinary unspecifiable services (EUS) provision which shall be governed by the provisions of N.J.S.A. 18A:18A-46.1.

6340 MULTIPLE YEAR CONTRACTS

The Board of Education may enter a multiple year contract for goods and services permitted by law whenever the extended contract will serve the needs of the district and yield greater return for the expenditure.

The School Business Administrator/Board Secretary is directed to investigate the advantage to the district of multiple year contracts. Investigation should include, but need not be limited to, a comparison of the costs of multiple year and single year contracts, an analysis of trends in the costs and availability of the goods or services to be provided, the projected needs of the district, and an inquiry into the reliability and stability of the vendor.

Except for those contracts exempted from the requirement by law, all multiple year contracts will contain a cancellation clause or a clause conditioning annual extension of the contract on the appropriation of sufficient funds to meet the Board's obligation.

All multiple year contracts must be approved by the Board. When the estimated annual cost of a multiple year contract exceeds the bid threshold established by law and the subject of the contract is not exempt from bidding, the contract shall be advertised in accordance with law and the bidding procedures of this district.

N.J.S.A. 18A:18A-5; 18A:18A-42

Adopted: 7 September 2010

6350 COMPETITIVE CONTRACTING

Competitive contracting may be used in lieu of public bidding for specialized goods or services that exceed the bid threshold provided the process is administered by a purchasing agent, by legal counsel of the Board of Education, or by the School Business Administrator and pursuant to N.J.S.A. 18A:18A-4.1. et seq. Competitive contracting may only be used for the purposes provided in N.J.S.A. 18A:18A-4.1. Unless an exception is provided for under N.J.S.A. 18A:18A-42 permitting a longer contract duration, contracts awarded under competitive contracting may be for a term not to exceed five years.

The purchasing agent will prepare a request for proposal documentation, which will include all requirements deemed appropriate and necessary to allow for full and free competition between vendors, information necessary for potential vendors to submit a proposal, and a methodology by which the Board will evaluate and rank proposals received from vendors. The methodology for the awarding of competitive contracts will be based on an evaluation and ranking and will be developed in a way that is intended to meet the specific needs of the district and where such criteria will not unfairly or illegally discriminate against or exclude otherwise capable vendors. The methodology for awarding competitive contracts will comply with such rules and regulations as the Director of the Division of Local Government Services in the Department of Community Affairs may adopt in accordance with N.J.S.A. 18A-4.4.

Request for Proposal documentation will be published in an official newspaper of the Board at least twenty days prior to the date established for the submission of proposals. The Board may charge a fee for the proposal documentation that will not exceed \$50.00 or the cost of reproducing the documentation, whichever is greater.

Each interested vendor will be required to submit a proposal which will include all the information required by the request for proposals. Failure to meet the requirements of the request for proposals may result in the Board disqualifying the vendor from further consideration. Under no circumstances will the provisions of a proposal be subject to negotiation by the Board.

If the Board, at the time of solicitation, utilizes its own employees to provide the goods or perform the services, or both considered for competitive contracting, the Board will, at any time prior to, but no later than the time of solicitation for competitive contracting proposals, notify affected employees of the Board's intention to solicit competitive contracting proposals pursuant to N.J.S.A. 18A:18A-4.5.c. Employees or their representatives will be permitted to submit recommendations and proposals affecting wages, hours, and terms and conditions of employment in such a manner as to meet the goals of the competitive contract. If employees are represented by an organization that has negotiated a contract with the Board, only the bargaining unit will be authorized to submit such recommendations or proposals. When requested by such

employees, the Board will provide such information regarding budgets and the costs of performing the services by such employees as may be available. Nothing will prevent such employees from making recommendations that may include modifications to existing labor agreements in order to reduce such costs in lieu of award of a competitive contract, and agreements implementing such recommendations may be considered as cause for rejecting all other proposals.

The purchasing agent will evaluate all proposals only in accordance with the methodology described in the request for proposals. After proposals have been evaluated, the purchasing agent will prepare a report evaluating and recommending the award of a contract or contracts. The report will be prepared pursuant to N.J.S.A. 18A:18A-4.5.d. The report will be made available to the public at least 48 hours prior to the awarding of the contract, or when made available to the Board, whichever is sooner. The Board will have the right to reject all proposals for any of the reasons set forth in N.J.S.A. 18A:18A-22.

Award of a contract will be made by resolution of the Board within sixty days of the receipt of the proposals, except that the proposals of any vendors who consent thereto, may, at the request of the Board, be held for consideration for such longer period as may be agreed.

The report prepared pursuant to this Policy and Regulation No. 6350 will become part of the public record and will reflect the final action of the Board. Contracts will be executed pursuant to N.J.S.A. 18A:18A-40.

The Secretary of the Board will publish a notice in the official newspaper of the Board summarizing the award of a contract pursuant to N.J.S.A. 18A:18A-4.5g.

Political Contribution Disclosure Requirements

In accordance with the requirements of Section 2 of P.L. 2005, Chapter 271 (N.J.S.A. 19:44A-20.26), the Board of Education shall have on file, to be maintained with other documents related to a contract, the following documents to award a “non-fair and open” contract to any business entity receiving a contract with an anticipated value in excess of \$17,500:

1. A Political Contribution Disclosure (PCD) form submitted by the business entity (at least ten days prior to award); and
2. A Business Registration Certificate (anytime prior to award).

“Business entity” means a natural or legal person, business corporation, professional services corporation, limited liability company, partnership, limited partnership, business trust, association or any other legal commercial entity organized under the laws of New Jersey or any other State or foreign jurisdiction.

A “non-fair and open” procurement process is one that does not meet the standards defined in N.J.S.A. 19:44A-20.7 as a “fair and open process.” “Fair and open” is defined as being:

1. Publicly advertised (either conventionally in newspapers or posted on the district website) in sufficient time (at least ten calendar days) to give notice in advance of the contract, and
2. Awarded under “a process that provides for public solicitation or proposals or qualifications,” and
3. Awarded under criteria established in writing by the Board prior to the solicitation of proposals or qualifications, and
4. Publicly opened and announced when awarded by the Board.

A PCD form is not required to be submitted by a business entity if the contract is awarded under a “fair and open” process as outlined above. Public bidding and competitive contracting models meet the requirements of a “fair and open” process. In addition, contracts awarded by a lead agency in a cooperative purchasing program or as a State contract are considered awarded under a “fair and open” process and a PCD form is not required.

The \$17,500 contract amount is not related to the Board's bid threshold and does not exempt the district from the requirements of the Public School Contracts Law or other applicable purchasing statutes.

Contracts less than the bid threshold but higher than \$17,500 (a.k.a. "window contracts") fall under PCD requirements, but have special circumstances.

1. If these contracts are awarded as a "fair and open" contract, a PCD form is not required, and the contract must be approved by the Board.
2. If these contracts are awarded as a non-fair and open contract and the contract is in excess of \$17,500, a PCD form is required. If generally authorized by the Board to award these contracts, the School Business Administrator/Board Secretary can award these contracts.

The \$17,500 contract amount threshold is subject to the principle of aggregation rules in accordance with the Division of Local Government Services guidance. Unlike the Public School Contracts Law, aggregation thresholds for this Policy and Chapter 271 purposes shall be calculated at the vendor level – meaning, when a vendor receives more than \$17,500 in a school district's fiscal year, a PCD form shall be required.

There is a range of goods and services that are exempt from bidding (N.J.S.A. 18A:18A-5 et seq.) which are subject to Chapter 271 (i.e. professional services, perishable food, textbooks, educational and library-media material, proprietary software or software maintenance, child study consultants, etc.). School districts can meet the fair and open requirement by using the "request for qualification" (RFQ) approach to a fair and open process. Using this model, a Board can specify the desired qualifications, establish criteria for, and award open-ended contracts (for terms as allowed by law) based on those proposals, which may or may not include pricing proposals. Orders for specific services would then be placed, as needed, with individual contractors based on price quotations, ability, or availability of specific goods or services. A RFQ does not require an evaluation based on price – it can be based on skills, ability to deliver a certain product, or range and breadth of product line – with price being agreed upon at the end of the evaluation process.

The disclosure provisions of N.J.S.A. 19:44A-20.26 do not apply in cases where there is a "public emergency" that requires the immediate delivery of goods or services.

Insurance companies and banks are prohibited under State law from making political contributions. However, because the PCD form reflects contributions made by partners, Boards of Directors, spouses, etc., PCD forms are required ten days prior to the approval of a depository designation resolution or insurance company contract awarded by the Board. A PCD form is also required when a contract in excess of \$17,500 is made to an insurance broker. A PCD form is required from the company receiving the contract, regardless of the entity issuing an insurance policy.

PCD forms are required for Board of Education contracts in excess of \$17,500 with a New Jersey Department of Education "Approved In-State Private School for the Disabled." Chapter 271 also applies to in-State private special education schools, supplemental educational services under NCLB, early childhood school providers – DHS approved, and other similar programs.

If the school district spends more than \$17,500 in a school year with a newspaper, the selection of the newspaper is subject to the provisions of Chapter 271. In this case, using the RFQ approach may be useful.

PCD forms are not required for regulated public utility services, as the Board is required by the Board of Public Utilities to use a specific utility. This exception does not apply to non-regulated public utility services, such as generated energy (not tariffed), or long-distance telephone services where other procurement practices are used.

PCD forms are not required for membership to the New Jersey School Boards Association.

A non-profit organization having proper documentation from the Internal Revenue Service (IRS) showing it is registered with the IRS as a 501(c) type corporation is not required to file a PCD form.

If the original contract provided for the possibility of an extension(s), Chapter 271 compliance is not required if the extension/continuation is based on that original contract.

6362 CONTRIBUTIONS TO BOARD MEMBERS AND CONTRACT AWARDS

As a condition of receiving State aid, the school district shall comply with the provisions of N.J.A.C. 6A:23A-6.3 to ensure the school district maintains honest and ethical relations with vendors and shall guard against favoritism, improvidence, extravagance, and corruption in its contracting processes and practices.

For the purposes of this Policy, “business” means any corporation, partnership, firm, enterprise, franchise, trust, association, sole proprietorship, union, political organization, or other legal entity but shall not include a local public school district or any other public entity. “Business entity” means any natural or legal person, business corporation, professional services corporation, limited liability company, partnership, limited partnership, business trust, association or any other legal commercial entity organized under the laws of this State or of any other state or foreign jurisdiction. “Interest” means the ownership or control of more than ten percent of the profits or assets of a business entity or ten percent of the stock in the case of a business entity that is a corporation for profit, as appropriate.

In accordance with the provisions of N.J.A.C. 6A:23A-6.3:

1. No Board of Education will vote upon or award any contract in the amount of \$17,500 or greater to any business entity which has made a contribution reportable by the recipient under P.L. 1973, c. 83 (N.J.S.A. 19:44A-1 et seq.) to a member of the Board of Education during the preceding one-year period.
2. Contributions reportable by the recipient under P.L. 1973, c. 83 (N.J.S.A. 19:44A-1 et seq.) to any member of the Board of Education from any business entity doing business with the school district are prohibited during the term of a contract.
3. When a business entity referred to in 2. above is a natural person, a contribution by that person’s spouse or child that resides therewith shall be deemed to be a contribution by the business entity. Where a business entity is other than a natural person, a contribution by any person or other business entity having an interest therein shall be deemed to be a contribution by the business entity.
4. The disclosure requirement set forth in section 2 of P.L. 2005, c. 271 (N.J.S.A. 19:44A-20.26) also shall apply when the contract is required by law to be publicly advertised for bids.

Contributions to Board Members and Contract Awards

The requirements of N.J.A.C. 6A:23A-6.3 shall not apply to a contract when a district emergency requires the immediate delivery of goods or services. With the exception of districts previously subject to the requirements of N.J.A.C. 6A:10-2.1(e), N.J.A.C. 6A:23A-6.3 shall not apply to contributions made prior to its effective date.

6421 PURCHASES BUDGETED

The Board of Education directs the establishment of procedures for the purchase of budgeted goods and services that will make prudent use of district resources and yield the maximum value for the school district. The School Business Administrator/Board Secretary and/or designee shall authorize all purchases that are within a budget line item and are consistent with the purpose for which the funds were appropriated.

No purchase order may be placed until the School Business Administrator/Board Secretary and/or designee has determined whether the proposed purchase is subject to bid, whether sufficient funds exist in the line item, and whether the goods are available elsewhere in the district.

Whenever the estimated value of a purchase or contract for goods or services other than professional services N.J.S.A. 18A:18A-5(1) and work by employees of the Board N.J.S.A. 18A:18A-5(3) is fifteen percent or more of the bid threshold established in accordance with N.J.S.A. 18A:18A-3 and N.J.S.A. 18A:18A-37 and is not made under a state contract, the purchasing agent shall, whenever practicable, solicit at least two quotations from independent vendors. All quotations received will be attached to and retained with a copy of the voucher used to pay the vendor.

The purchase or contract may be awarded on the basis of the lowest responsible quotation received or to the vendor who submits the quotation most advantageous to the Board on the basis of price and other factors. If it is determined that it is impractical to seek quotations for an extraordinary, unspecifiable service or that the purchase or contract for which quotations were sought should not be awarded on the basis of the lowest quotation received, the reasons for that determination will be set forth in writing and attached to the resulting purchase order or contract.

Supplies commonly used in the school will be standardized to the extent that it is educationally feasible to do so. Alternate suggestions will be made to a requisitioner if better service, delivery, economy, or utility can be achieved by a change in the proposed order.

When a purchase order is placed or a contract entered, the School Business Administrator/Board Secretary and/or designee shall commit the expenditure against a specific budget line item or project category in order to guard against the creation of liabilities in excess of appropriations.

6422 BUDGET TRANSFERS

Except as otherwise provided pursuant to N.J.S.A. 18A:22-8.1 and N.J.A.C. 6A:23A-13.1 et seq., whenever the school district desires to transfer amounts among line items and program categories, the transfers shall be by resolution of the Board approved by a two-thirds affirmative vote of the authorized membership of the Board. Each resolution shall indicate the exact amount of the transfers and from the applicable accounts or fund balance.

However, this Board of Education in accordance with the provisions of N.J.S.A. 18A:22-8.1 and this Policy as adopted by the Board, designates the Superintendent of Schools to approve such transfers as are necessary between meetings of the Board. Transfers approved by the Superintendent shall be reported to the Board, ratified and duly recorded in the minutes at a subsequent meeting of the Board, but not less than monthly.

Transfers from line accounts that include waiver amounts approved by the Commissioner and expenditures and/or reallocations directed by the Commissioner are prohibited unless approved in writing by the Executive County Superintendent and in accordance with the provisions of N.J.S.A. 18A:22-8.1. The Board shall submit written requests for transfers including the amount to be transferred, the account(s) to be reduced, the account(s) to be increased, the purpose, and justification. These transfers shall not be requested or made prior to December 1 of the applicable budget year and shall only be approved for an emergent circumstance(s).

Where actual audited undesignated general fund balance at the fiscal year-end exceeds the estimated amount reflected in the school district's originally approved budget that contained an adjustment to the tax levy limitation approved by the Commissioner, any excess amount shall be reserved for the offset of the Commissioner's waiver requests, if any, in the second subsequent year's budget and reflected as such in the CAFR for the budget year.

Whenever the Executive County Superintendent shall, pursuant to N.J.S.A. 18A:7-8, disapprove a portion of the school district's proposed budget because the district has not implemented all potential efficiencies in its administrative operations or because the budget includes excessive non-instructional expenses, the school district shall not transfer funds back into those accounts during the budget year.

Budget Transfers

Transfers of surplus amounts or any other unbudgeted or underbudgeted revenue to line items and program categories shall require the approval of the Commissioner of Education and shall only be approved between April 1 and June 30 for line items and program categories necessary to achieve the thoroughness standards established pursuant to section 4 of P.L.2007, c.260 (N.J.S.A. 18A:7F-46); except that upon a two-thirds affirmative vote of the authorized membership of the Board, the Board may petition the Commissioner of Education for authority to transfer such revenue prior to April 1 due to an emergent circumstance and the Commissioner may authorize the transfer if he determines that the transfer is necessary to meet such emergency.

Transfers from any general fund appropriation account that, on a cumulative basis, exceed 10% of the amount of the account included in the school district's budget as certified for taxes shall require the approval of the Commissioner of Education. In a school district wherein the Commissioner of Education has directed an in-depth evaluation pursuant to N.J.S.A. 18A:7A-14, the Board shall obtain the written approval of the Executive County Superintendent of Schools prior to implementing any Board authorized transfer of funds.

No transfer may be made under N.J.S.A 18A:22-8.1 from appropriations or surplus accounts for interest and debt redemption charges, capital reserve account or items classified as general fund expenses except to other items so classified, or to the capital projects fund to supplement the proceeds from a bond authorization or lease purchase agreement upon application to and a formal finding by the Commissioner that the transfer is in the best interest of both the pupils and taxpayers of the district after consideration of alternative corrective actions.

6423 EXPENDITURES FOR NON-EMPLOYEE ACTIVITIES, MEALS
AND REFRESHMENTS

There may be school district activities where expenditures for non-employee activities, meals, and refreshments may occur. Expenditures for non-employee activities, meals, and refreshments for school district activities are allowed provided the expenses are in accordance with the provisions of N.J.A.C. 6A:23A-5.8. For the purposes of this Policy, unless the context clearly indicates otherwise, “activities” means events or functions provided or held for the benefit of pupils, dignitaries, and other “non-district” employees (e.g. parents) which are paid from public funds. “Dignitary” means a notable or prominent public figure; a high level official; or one who holds a position of honor. A dignitary, for purposes of this Policy, is not a school district employee or Board of Education member.

Allowable expenditures for non-employee school district activities shall include:

1. All reasonable costs, including light meals and refreshments, directly related to activities that benefit pupils and are part of the instructional program including expenditures for field trips and extracurricular programs that are not solely for entertainment. Nothing in this Policy or N.J.A.C. 6A:23A-5.8 shall preclude the district from using student activity funds or accepting donations to support pupil activities that are solely for pupil entertainment;
2. All reasonable costs directly related to activities of dignitaries and other “non-district” employees (e.g. parents), including light meals and refreshments and any other directly related expense. Expenditures for this purpose shall be minimal and infrequent;
3. All reasonable costs of commencement and convocation activities for pupils; and
4. Expenditures related to district employees to the extent such employees are essential to the conduct of the activity.

The Board shall, at a minimum, take actions regarding pupil activities as follows:

1. Pre-approve field trip destinations;
2. Establish dollar thresholds for awards to recognize special accomplishments; and

3. Establish a budget supported by general fund revenues for each category of activity in a non-discriminatory manner (e.g. football, boys soccer, girls soccer, photography club). Student activity funds are excluded.

Pursuant to N.J.S.A. 18A:11-12 and State of New Jersey Department of Treasury, Office of Management and Budget Circular 08-19-OMB and 06-14-OMB, the following costs shall not be permitted using public funding:

1. Receptions, dinners, or other social functions held for or honoring any employee or group of employees of the district (e.g. breakfast, luncheon, dinner, or reception for retirees or award recipients). This does not prohibit the district from honoring employees without a social function or using public funds to support reasonable costs of employee recognition awards (e.g. teacher of the year awards, years of service awards). Use of public funds for reasonable costs of employee awards is a local discretionary expenditure;
2. Meals or refreshments served to guests at any athletic event or other games or contests; and/or
3. Expenses for alcoholic beverages.

The School Business Administrator/Board Secretary and/or designee shall maintain documentation to support activities, meals, and refreshments at district events. The documentation shall include a description of the activity, the purpose/justification of the activity, expressed in terms of the goal(s) or objective(s) of the district, the make-up of the group participating in the activity, and the names and titles of Board members or employees included in the group.

6424 EMERGENCY CONTRACTS

Any contract may be negotiated or awarded for a Board of Education without public advertising for bids and bidding notwithstanding that the contract price will exceed the bid threshold when an emergency affecting the health or safety of occupants of school property requires the immediate delivery of goods or the performance of services.

An actual or imminent emergency must exist requiring the immediate delivery of the goods or the performance of the service. Emergency contracts may not be used unless the need for the goods or services could not have been reasonably foreseen or the need for such goods or services has arisen notwithstanding a good faith effort on the school district to plan for the purchase of any goods or services required by the school district. Under no circumstance shall emergency purchasing procedures be used to enter into a multi-year contract.

If the School Business Administrator/Board Secretary is satisfied that an emergency exists, he/she shall be authorized to award a contract or contracts for such purposes as may be necessary to respond to the emergent needs pursuant to the provisions of N.J.S.A. 18A:18A-7 et seq.

If conditions permit, the School Business Administrator/Board Secretary shall seek quotations from more than one source. If the expenditures are expected to be in excess of the bid threshold, the School Business Administrator/Board Secretary shall attempt to obtain no fewer than three quotations.

As soon as possible, but within three days of declaring the emergency, the Superintendent of Schools shall notify the Executive County Superintendent of the nature of the emergency and the estimated need for goods or services necessary to respond to it.

When emergency conditions have eased, the School Business Administrator/Board Secretary shall utilize the regular purchasing system to obtain estimates from suppliers, vendors, and contractors for materials and/or services that will eliminate the circumstances that created the emergency.

The School Business Administrator/Board Secretary shall prepare and submit a final report to the Board on every occasion an emergency contract is negotiated or awarded in accordance with the provisions of N.J.S.A. 18A:18A-7.

6440 COOPERATIVE PURCHASING

The Board of Education recognizes that centralized, cooperative purchasing tends to maximize the value received for each dollar spent. The Administration is encouraged to seek savings that may accrue to this district by means of joint agreements for the purchase of goods or services with the governing body of the municipality or the county within whose boundaries the school district is wholly or partly located, or by means of contracts entered into by the New Jersey State Treasury Department, Division of Purchase and Property.

A cooperative pricing system is a purchasing system in which the lead agency advertises for bids, awards a master contract to the vendor providing for its own needs and for the prices to be extended to registered members, and notifies them of the bid prices awarded. The registered members then contract directly with the vendor for their own needs, subject to the specifications in the master contract.

A joint purchasing system is a cooperative purchasing system in which the lead agency has complete purchasing responsibility for the registered members, and the only contractual relationship is between the lead agency and the vendor.

A cooperative purchasing system is either a joint purchasing or cooperative pricing system.

When the lead agency is a Board of Education or Educational Service Commission and the entire membership of the cooperative purchasing system established and properly registered with the New Jersey Division of Local Government Services are Boards of Education, the purchase of work, materials or supplies shall be conducted pursuant to the Public Schools Contract Law (N.J.S.A. 18A:18A-11 et seq.)

The School Business Administrator/Board Secretary is hereby authorized to negotiate such joint agreements for goods and services which the Board may determine to be required and which the Board may otherwise lawfully purchase for itself with such approved contracting units as may be appropriate in accordance with State law, the policies of this Board, and the dictates of sound purchasing procedures.

No cooperative or joint purchase may be entered without Board approval of an agreement that specifies the categories of work, materials and supplies to be purchased; the manner of advertising for bids and the awarding of contracts; the method by which payment will be made by each participating Board of Education, municipality or county, and such other terms deemed necessary to carry out the purposes of the agreement. Agreements for cooperative and joint purchasing will be subject to all bidding requirements imposed by law. Purchases made through the State Treasury Department may be made without bid.

Each participant's share of expenditures for purchases under any such agreement shall be appropriated and paid in the manner set forth in the agreement and in the manner as for other expenses of the participant.

The Board may by contract or lease provide electronic data processing services for the Board of Education of another school district; and may undertake with such other Board, the joint operation of electronic data processing of their official records and other information relative to their official activities, services and responsibilities. The records and other information originating with any Board participating in such contract or lease may be combined, compiled, and conjoined with the records and other information of any and all participating local units for the purposes of such electronic data processing; and any provisions of law requiring such records to be kept confidential or to be retained by any Board or any officer or agency thereof shall be deemed to be isolated thereby.

A contract or lease to provide electronic data processing services shall set forth the charge for all services provided, or in the case of a joint undertaking the proportion of the cost each party thereto shall assume and specify all the details of the management of the joint undertaking, and any other matters that may be deemed necessary for insertion therein, and may be amended from time to time by the contracting parties.

Any party to a contract for joint operation of electronic data processing services may act as agent for any or all parties in acquiring, by lease, purchase or otherwise, any property, facilities or services, in appointing such officers and employees as may be necessary and directing its activities, to the same extent as a Board of Education is authorized to do separately.

In the event that any controversy or dispute shall arise among the parties (except a municipality or a county) to any such agreement, the same shall be referred to the County Superintendent of the county in which the districts are situated for determination and the determination shall be binding, subject to appeal to the Commissioner of Education and the State Board pursuant to law. In the event the districts are in more than one county, the controversy or dispute shall be referred to the County Superintendents of the counties for joint determination, and if they shall be unable to agree upon a joint determination within thirty days, the controversy or dispute shall be referred to the Commissioner of Education for determination.

In a cooperative purchasing system established and properly registered with the New Jersey Division of Local Government Services where the lead agency is a Board of Education or Educational Service Commission and the membership of the system is Boards of Education and local contracting units as defined in N.J.S.A. 40A:11-2(1), the purchase of any work, materials or supplies shall be conducted pursuant to the Local Public Contracts Law (N.J.S.A. 40A:11-1 et seq.) and N.J.A.C. 5:34-7.

6450 CHOICE OF VENDOR

The Board of Education recognizes its position as a major purchaser of goods and services in the community served by the school district. It is the intention of the Board to purchase goods and services of the requisite quality at the lowest possible cost and to invite widespread competition in order to achieve this end. Where all other considerations are equal, however, the Board will exercise a preference for dealing with established local merchants and service providers from within the boundaries of the school district.

The School Business Administrator/Board Secretary is authorized to place purchase orders with local merchants and providers when their prices and terms are competitive with other vendors. Nothing in this policy shall be deemed to circumvent the requirements of law regarding public purchasing.

All vendors shall supply assurances that they do not practice discrimination as described in the administrative code. All vendors shall be informed that harassment of any kind, of district pupils or employees by their representatives is prohibited.

6470 PAYMENT OF CLAIMS

The Board of Education directs the prompt payment of legitimate claims by suppliers of goods and services to the school district, provided that each bill or obligation of this Board is fully itemized and verified before a warrant is drawn for its payment.

When an invoice is received, the School Business Administrator/Board Secretary or designee shall verify the voucher is properly submitted, acceptable goods were received or satisfactory services rendered, the expenditure is included in the Board's budget and funds are available for its payment, and the amount of the invoice is correct.

The School Business Administrator/Board Secretary shall identify and investigate, if necessary, the reason for any increase to a purchase order. If it is found by the School Business Administrator/Board Secretary that an increase to a purchase order is warranted, the School Business Administrator/Board Secretary shall either approve a revision to the original purchase order with the reason noted, approve the issuance of a supplemental purchase order for the difference, or cancel the original purchase order and issue a new purchase order. If it is found an increase is not warranted, the purchase order shall be cancelled and the goods returned. In no instance shall an adjustment be made to a purchase order that changes the purpose or vendor of the original purchase order or a bid award price.

The school district's financial systems shall be programmed to:

1. Limit system access so that only appropriate Business office staff may make purchase order adjustments;
2. Reject adjustments in excess of any established approval thresholds;
3. Prevent unauthorized changes to be processed;
4. Reject payments where the sum of the invoice amount plus any previous invoices charged to the purchase order exceeds the sum of the original purchase order amount plus any authorized adjustments;
5. Reject duplicate purchase order numbers;
6. Reject duplicate invoice numbers; and
7. Prepare an edit/change report listing all payments made in excess of the originally approved purchase order amount.

The School Business Administrator/Board Secretary shall review on a monthly basis edit/change reports listing all payments made in excess of the originally approved purchase order amount to ensure that all payments made are properly authorized.

If funds are not available in the budget line account to which the expenditure will be charged, funds may be transferred in accordance with Policy No. 6422.

The Board must approve all claims for payment, except such payments that are to be paid from funds derived from athletic events or other activities of student organizations.

All claims will be submitted for Board review and approval or ratification. Claims must be submitted to the Board in the form of a list that includes the number, amount, and date of the warrant; the payee; the reason for the expenditure; and the account charged. All claims that equal or exceed fifteen percent of the bid threshold amount established pursuant to N.J.S.A. 18A:18A-3, except for payrolls and debt service, shall be verified by affidavit or by signed declaration in writing in accordance with the provision of N.J.S.A. 18A:19-3.

The list of claims must be accompanied by the original records that include copies of the purchase order, the receiving report, the vendor's invoice, and the purchase requisition. The list of approved warrants will be included in the minutes of the Board meeting.

When a claim for payment is duly approved in accordance with this policy, the School Business Administrator/Board Secretary and/or a designated staff member shall promptly prepare a warrant for payment, cancel the commitment placed against the appropriate account, and post the actual expenditure. All warrants must be signed by the Board President, Board Secretary, Superintendent of Schools, and/or Treasurer of School Moneys, as appropriate to the district.

6471 SCHOOL DISTRICT TRAVEL

The Board of Education shall implement a Policy and Regulation pertaining to travel expenditures for its employees and Board of Education members that is in accordance with N.J.S.A. 18A:11-12, N.J.A.C. 6A:23A-7, and other rules and procedures the Board of Education deems appropriate pursuant to N.J.A.C. 6A:23A-7.2(a). The Policy and Regulation pertaining to school district travel expenditures incorporates either expressly, in whole or in part, and/or by reference, the laws and regulations contained in N.J.S.A. 18A:11-12 and N.J.A.C. 6A:23A-7.

The Board of Education ensures the effective and efficient use of funds by adopting and implementing policies and procedures that are in accordance with N.J.S.A. 18A:11-12 and New Jersey Department of the Treasury, Office of Management and Budget (OMB) current circulars and any superseding circulars pertaining to travel, meals, events and entertainment, and the additional requirements set forth in N.J.A.C. 6A:23A-7. If any superseding circulars of the OMB conflict with the provisions of these rules, the provisions of the superseding circulars shall govern.

Any sections of State travel regulations as established by the OMB presented as OMB Travel, Entertainment, Meals, and Refreshments Circulars, that conflict with N.J.S.A. 18A:1-1 et seq. shall not be included in Policy and Regulation 6471 nor authorized under N.J.A.C. 6A:23A-7. This includes, but is not limited to, the authority to issue travel charge cards as allowed under the OMB Circulars, but which is not authorized for school districts under New Jersey school law.

The Board of Education shall ensure, through Policy and Regulation 6471, that all travel by its employees and Board of Education members is educationally necessary and fiscally prudent. Policy and Regulation 6471 shall include the requirement that all school district travel expenditures are:

1. The Board of Education or Board of School Estimate, as appropriate, may at any time establish by Board resolution a capital reserve account, pursuant to N.J.S.A. 18A:21-2 and 3, and 18A:7G-31.

Funds in the capital reserve account shall not be used for current expenses, pursuant to N.J.S.A. 18A:22-8.2, and shall only be used for purposes as outlined in N.J.A.C. 6A:23A-14.1(b). The Board of Education may increase the balance in the capital reserve account by appropriating funds in the annual general fund budget certified for taxes to meet the needs of the Long-Range Facilities Plan (LRFP) that are not met by State support. The balance in the account may also be increased by requesting approval from the Executive County Superintendent, as the Commissioner's designee, to appropriate any excess unreserved general fund balance as calculated in the supporting documentation of the proposed budget into capital reserve in the proposed budget pursuant to N.J.S.A. 18A:7F-7b only when the Board of Education has formally established a capital reserve account and obtained an approved LRFP in accordance with N.J.A.C. 6A:26-2. The Board of Education, at its option, may satisfy the withdrawal approval requirements set forth in N.J.A.C. 6A:23A-14.1(h) in accordance with the procedures as outlined in N.J.A.C. 6A:23A-14.1(d).

The Board of Education may request express approval of the voters for appropriation of additional amounts into the capital reserve in accordance with the procedures as outlined in N.J.A.C. 6A:23A-14.1(e). The Board of Education shall not deposit into a capital reserve account audited excess undesignated, unreserved general fund balance. The Board of Education shall reserve and designate such funds in the subsequent year's budget pursuant to N.J.A.C. 6A:23A-8.5(b). The Board of Education shall maintain an amount of funds in the capital reserve account that does not exceed the amount needed to implement capital projects in a school district's LRFP that are not met by State support.

The Board of Education may withdraw funds from the capital reserve account at any time in accordance with the provisions of N.J.A.C. 6A:23A-14.1(h). However, the Board of Education or Board of School Estimate, as appropriate, may at any time, apply to the Commissioner for approval to withdraw funds from its capital reserve account for uses authorized in N.J.A.C. 6A:23A-14.1(b). The Board of Education or Board of School Estimate, as appropriate, may make a withdrawal pursuant to N.J.A.C. 6A:23A-14.1(i) only upon receipt of written approval of the Commissioner and the Board of Education shall establish to the satisfaction of the Commissioner that an emergent condition exists necessitating an immediate withdrawal of capital reserve account funds.

The Board of Education shall administer and account for the capital reserve account in accordance with the requirements of N.J.A.C. 6A:23A-14.1(j). Funds in capital reserve accounts in existence prior to July 18, 2000 are subject to the Educational Facilities Construction and Financing Act (EFCFA), P.L. 2000, c. 72, and N.J.A.C. 6A:23A-14, and the Board of Education shall only use such funds for the original purpose for which the funds were deposited and as outlined in N.J.A.C. 6A:23A-14.1(k)1. and (k)2.

The Board of Education shall establish, by resolution, a maintenance reserve account in accordance with the provisions of N.J.A.C. 6A:23A-14.2 to be used to implement required maintenance of the school district's facilities. The Board of Education is prohibited from using such funds for routine or capital maintenance and the account shall be established and maintained in accordance with Generally Accepted Accounting Principles (GAAP) and shall be subject to annual audit pursuant to N.J.S.A. 18A:23-1 et seq. The balance in the maintenance reserve account may be increased by appropriating funds in the annual general fund budget certified for taxes. Funds may be withdrawn from the maintenance reserve account and appropriated into the required maintenance account lines at budget time or any time during the year for use on required maintenance activities for a school facility as reported in the comprehensive maintenance plan pursuant to N.J.A.C. 6A:26A-4 in accordance with the provisions of N.J.A.C. 6A:23A-14.2(d). In any year that maintenance reserve account funds are withdrawn, the Board of Education shall restore any unexpended required maintenance appropriations, up to the amount of maintenance reserve account funds withdrawn, to the maintenance reserve account at year-end.

The Board of Education shall, by resolution, transfer to the general fund on an annual basis any interest earned on the investments in the maintenance reserve account. Such interest may be transferred on a more frequent basis at the discretion of the Board of Education. The Board of Education shall ensure the maintenance reserve account balance does not, at any time, exceed four percent of the replacement cost of the school district's school facilities for the current year. If the account exceeds this maximum amount at June 30, the Board of Education shall reserve and designate such excess in the subsequent year's budget.

The Board of Education or Board of School Estimate, as appropriate, may supplement a capital reserve account in accordance with requirements as outlined in N.J.A.C. 6A:23A-14.3. The Board of Education or a Board of School Estimate, as appropriate, may through the adoption of a Board resolution, establish a current expense emergency reserve account, a debt service reserve account, and a tuition adjustment reserve account in accordance with requirements as outlined in N.J.A.C. 6A:23A-14.4.

POLICY

All reserve accounts shall be recorded in accordance with GAAP and subject to annual audit. Any capital gains or interest earned shall become part of the reserve account. A separate bank account is not required; however, a separate identity for each reserve account shall be maintained.

6831 WITHHOLDING OR RECOVERING STATE AID

In the event the New Jersey Department of Education identifies ineffective or inefficient expenditure(s) by any school district, including, but not limited to the practices prohibited in N.J.A.C. 6A:23A-5.2 through 5.9, the Commissioner shall, except as otherwise provided in N.J.A.C. 6A:23A-5.1(h) provide the school district the opportunity to be heard as to why the amount of the ineffective or inefficient expenditure(s) shall not be withheld from State aid or refunded to the Department of Education.

The proceeding shall be instituted by an Order to Show Cause filed by the petitioner. The filing shall include a statement of factual findings along with a letter memorandum setting forth the basis for the position that the expenditure(s) was ineffective or inefficient. The respondent(s) to whom the order is directed shall file, within fifteen days, a response to the letter memorandum and an answer that meets the filing, service, and format requirements for answers as set forth in N.J.A.C. 6A:3, Controversies and Disputes. The petitioner may file a reply to the response within ten days.

Upon review of the filings, the Commissioner may decide to hear the matter directly pursuant to N.J.S.A. 52:14F-8 or refer the matter to the Office of Administrative Law. If the Commissioner decides to transmit the matter to the Office of Administrative Law, such transmission shall be done on an expedited basis. If the Commissioner is hearing the matter directly, upon receipt of the filings set forth above, or upon expiration of the time for their submission, the Commissioner shall review the total record before him or her and render a written decision. The Commissioner's decision shall include a determination of whether the expenditure was ineffective or inefficient and, if so, the amount of funds to be withheld from State aid or refunded by the district.

Nothing shall preclude the Commissioner from immediately and summarily withholding State aid, consistent with N.J.S.A. 18A:55-2, if, at any time, it is determined that the fiscal practices, actions, or expenditures of a school official, Board member, Board, or any other party under the Commissioner's jurisdiction are in violation of any statute, regulation, rule, or directive of the State Board of Education or Commissioner of Education.

N.J.A.C. 6A:23A-5.1
